

FR O M E E R Y

My

Eddie,
 You have been
 a cool friend &
 lots of fun. Hope
 ya have a real summer.
 Stay cool & K.I.T. 424-2788
 Courtney

I would like
 to be
 a
 boy

Eddie,
 Have a great summer
 Hope to see you next year
 213-8274

Eddie,
 Have a great
 summer. Thanks
 for bring my
 friend home really
 stay there
 why.

H.D.S. 631-8274
 M.L. Anderson

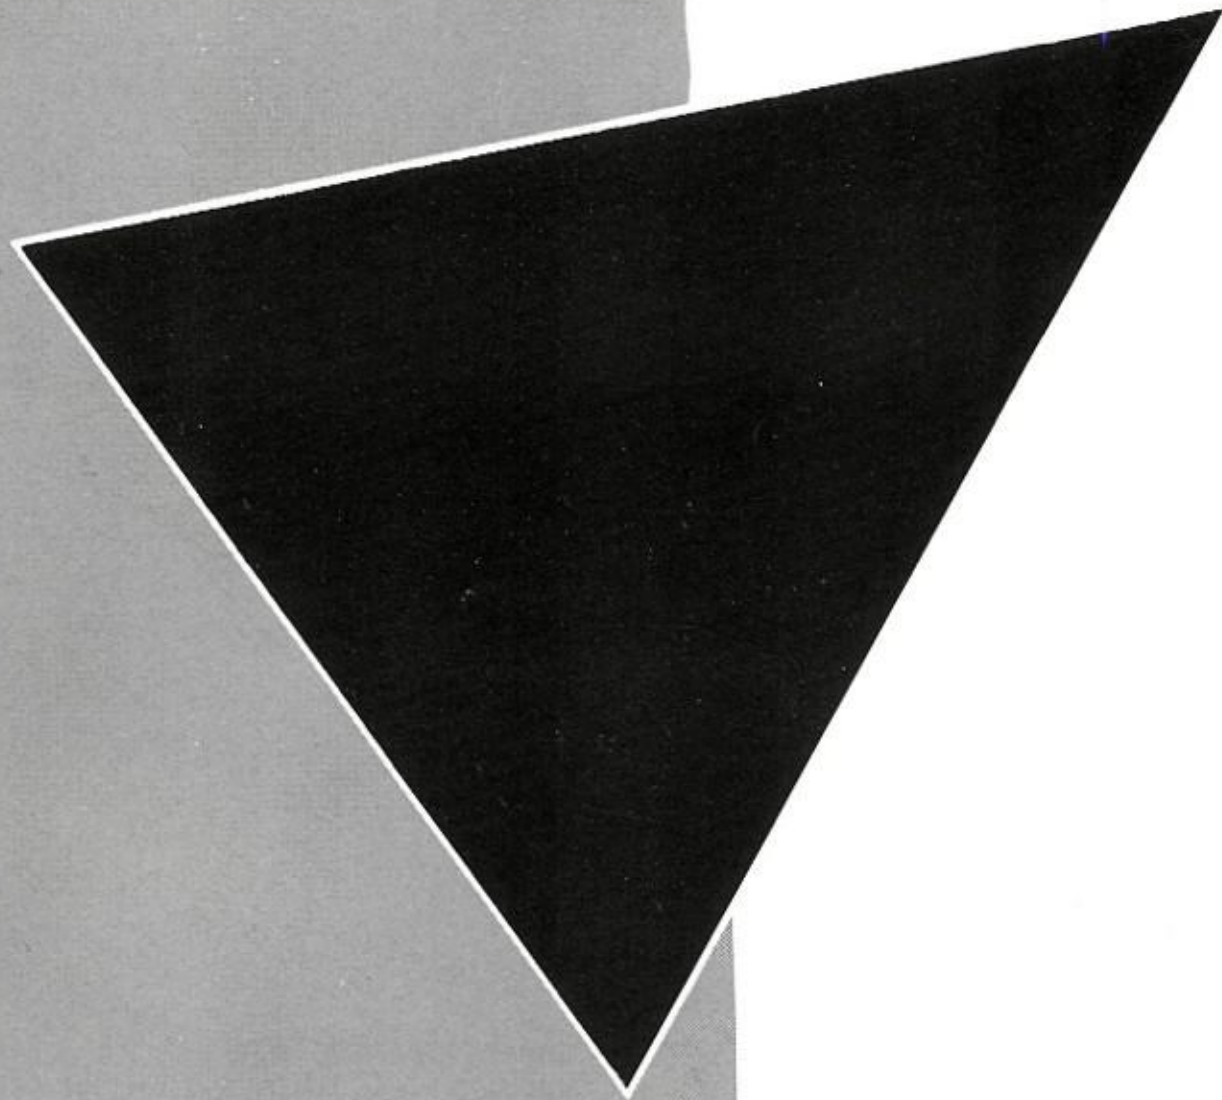

Don't beat
 up my
 bro.
 Hope 2 see
 next year.
 Love,
 Bob.

From Every Angle has been designed to capture you in all aspects of your high school years . . . as an individual, student, athlete, and especially as one of God's children.

All of us at Brethren Jr./Sr. High School are standing on the threshold of our future. God may call on us at any given time to serve Him, and we must be ready. Living a Christian life has been compared to acting as an understudy. Never knowing when our "big chance" will come, yet, always practicing for the day it does. Through the hard-working dedication of many, we have been trained to perform at any time.

Stephen Crumbacher, a popular musician of our day, wrote the following song about the sort of ready preparedness we need to have.

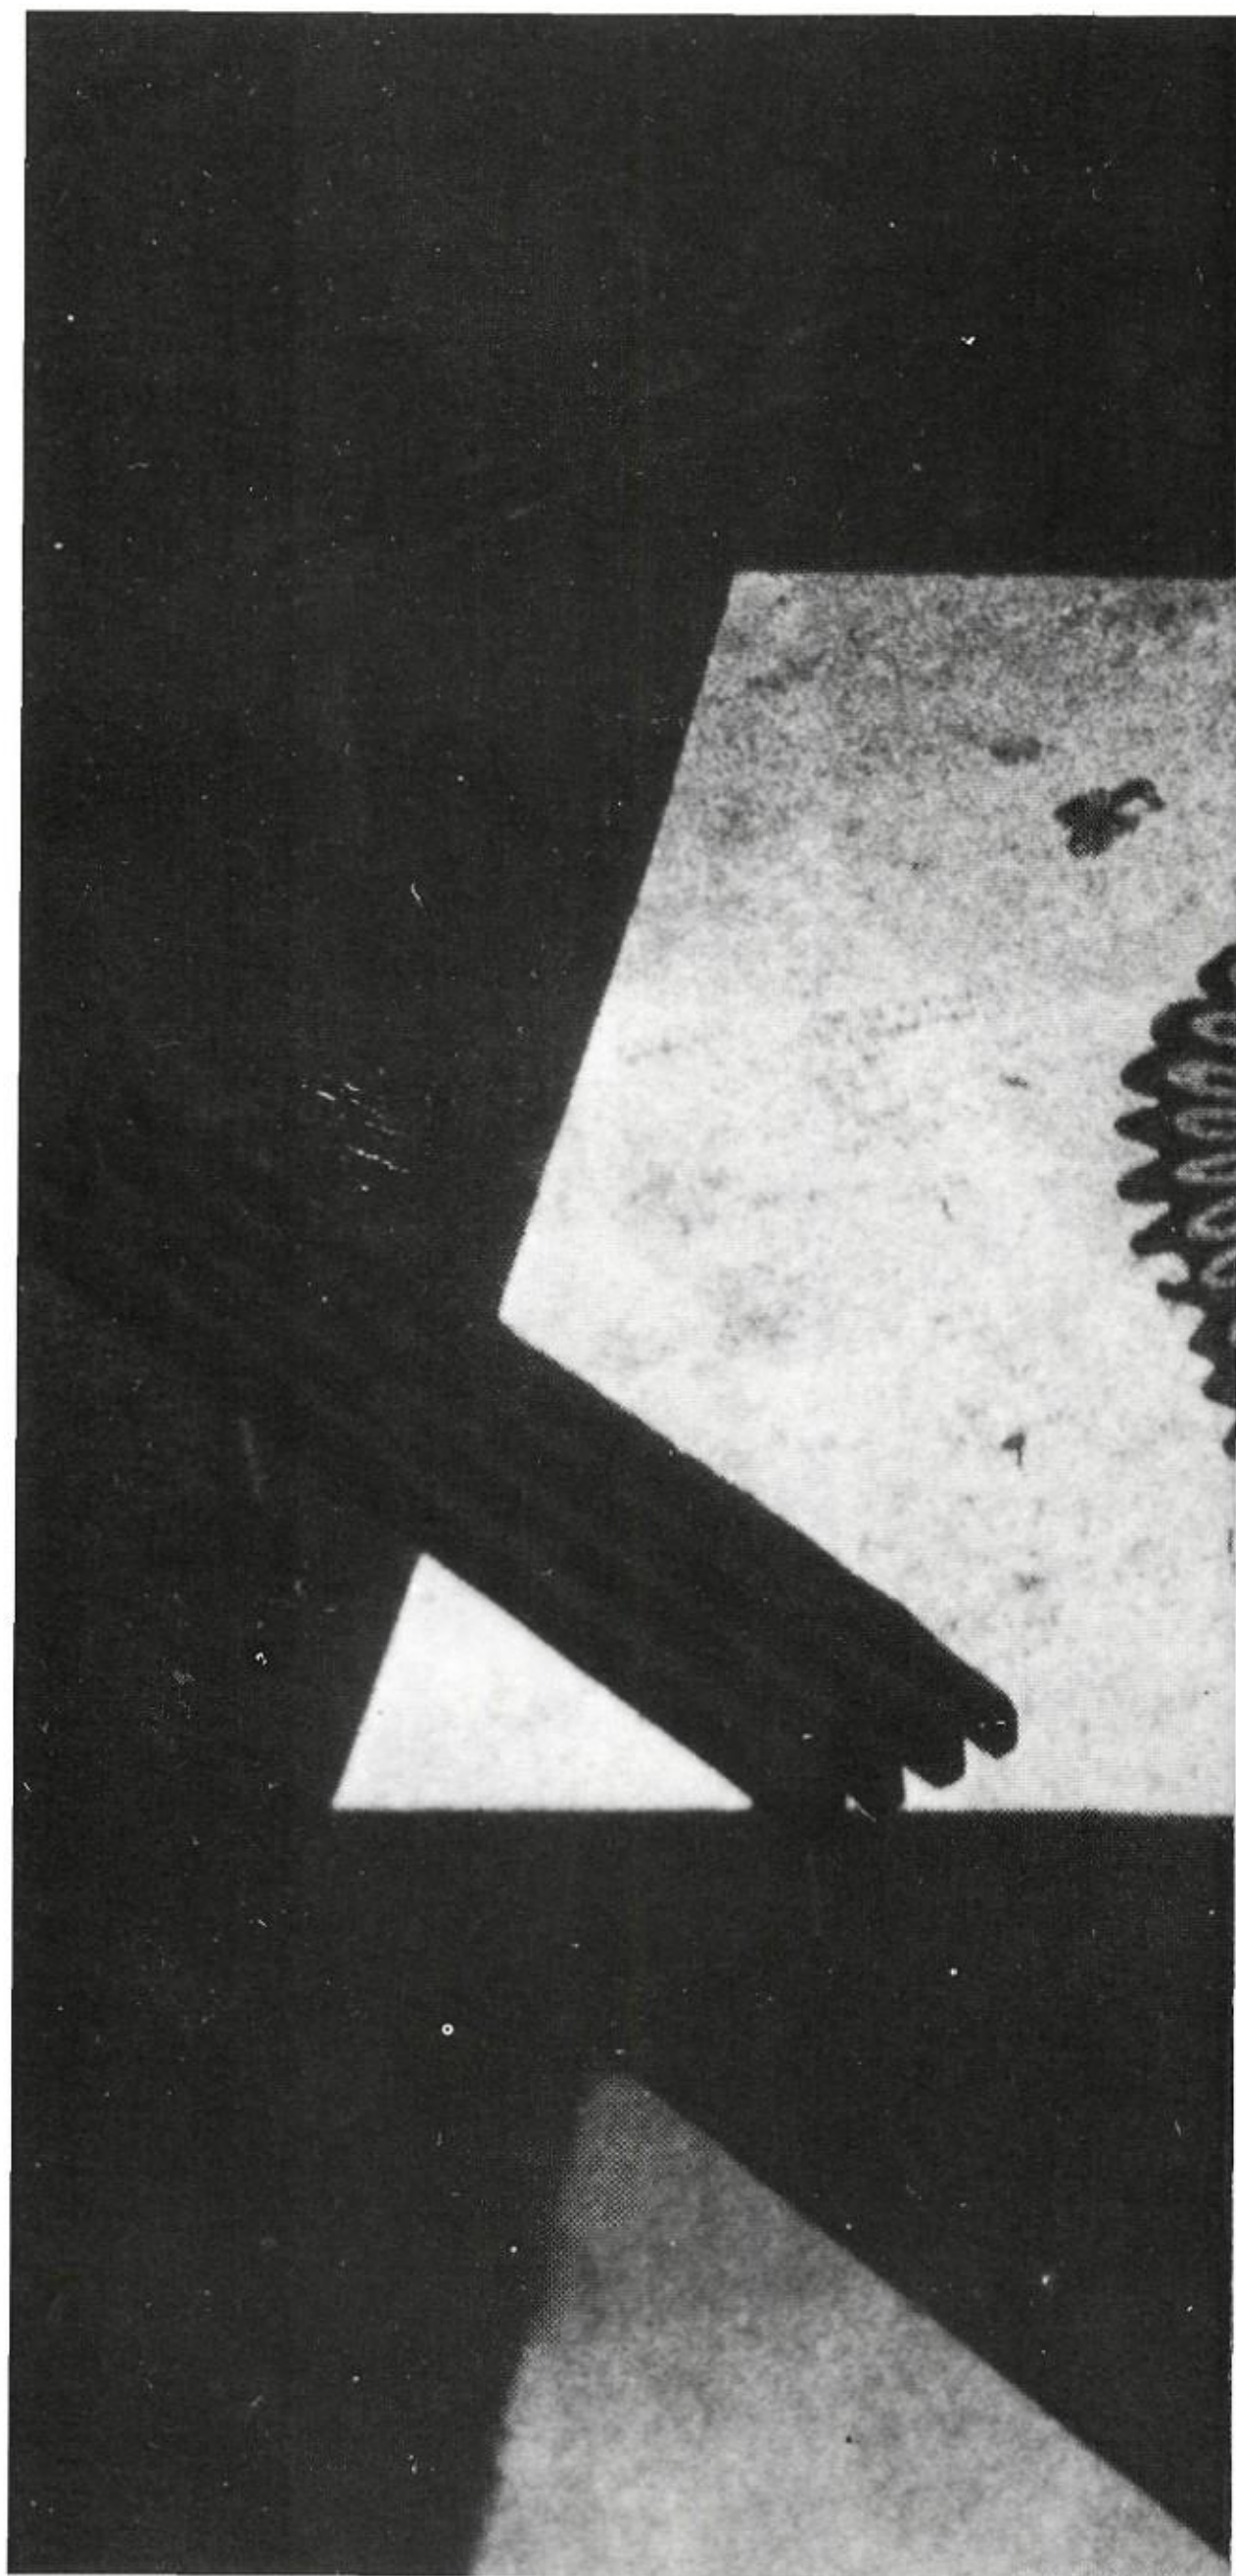

"Well, I really have a shot,
So I'm giving it all I've got
This is the break I've been waiting for.
Some say it isn't so great
That it was hardly worth the wait
But at least I finally got one foot in the door.

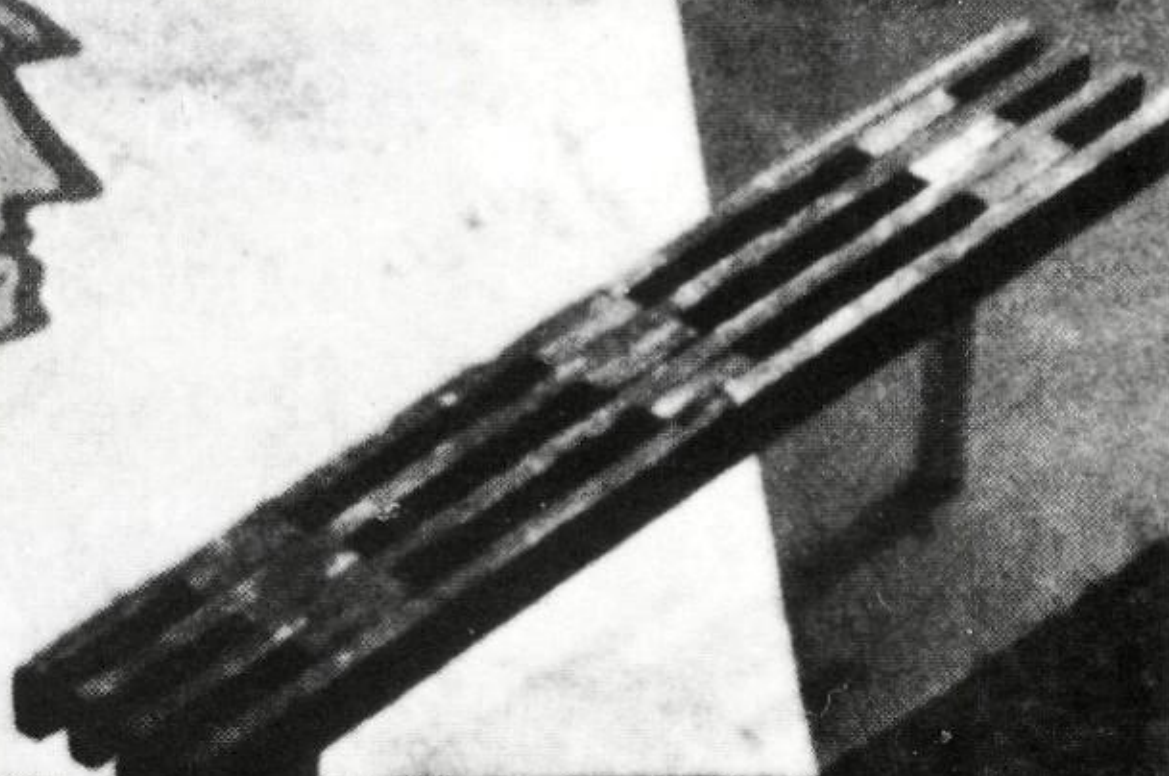

And I'm an understudy
Got a long way to go,
But I was once a nobody
Not a name you would know.
Now I'm an understudy
To the star of the show.

Well, I'll memorize my part
And know my lines by heart
I'm gonna walk the script through page
by page
Always be my best
And pray that I could stand the test,
Because I never know when I'll be
asked to take center stage.

Cause I'm an understudy . . ."

It is our desire as the 1987/88 *WARRIOR* staff that your fondest memories of this year will be preserved *From Every Angle*; however, it is our strongest and life long desire that you turn over every angle of your life to Jesus Christ so that you may be fully prepared to give an excellent performance whenever you are called upon.

You are an Example who teaches us to love God, honor God, and to include God in EVERY ANGLE of our busy lives.

You are a Teacher who is concerned with our friendship with Christ as well as our Bible knowledge.

You are a Coach who would rather take his Bible onto the football field than bring football into his classroom.

You are a Man who sees the humorous side of life and enjoys the benefits of laughter.

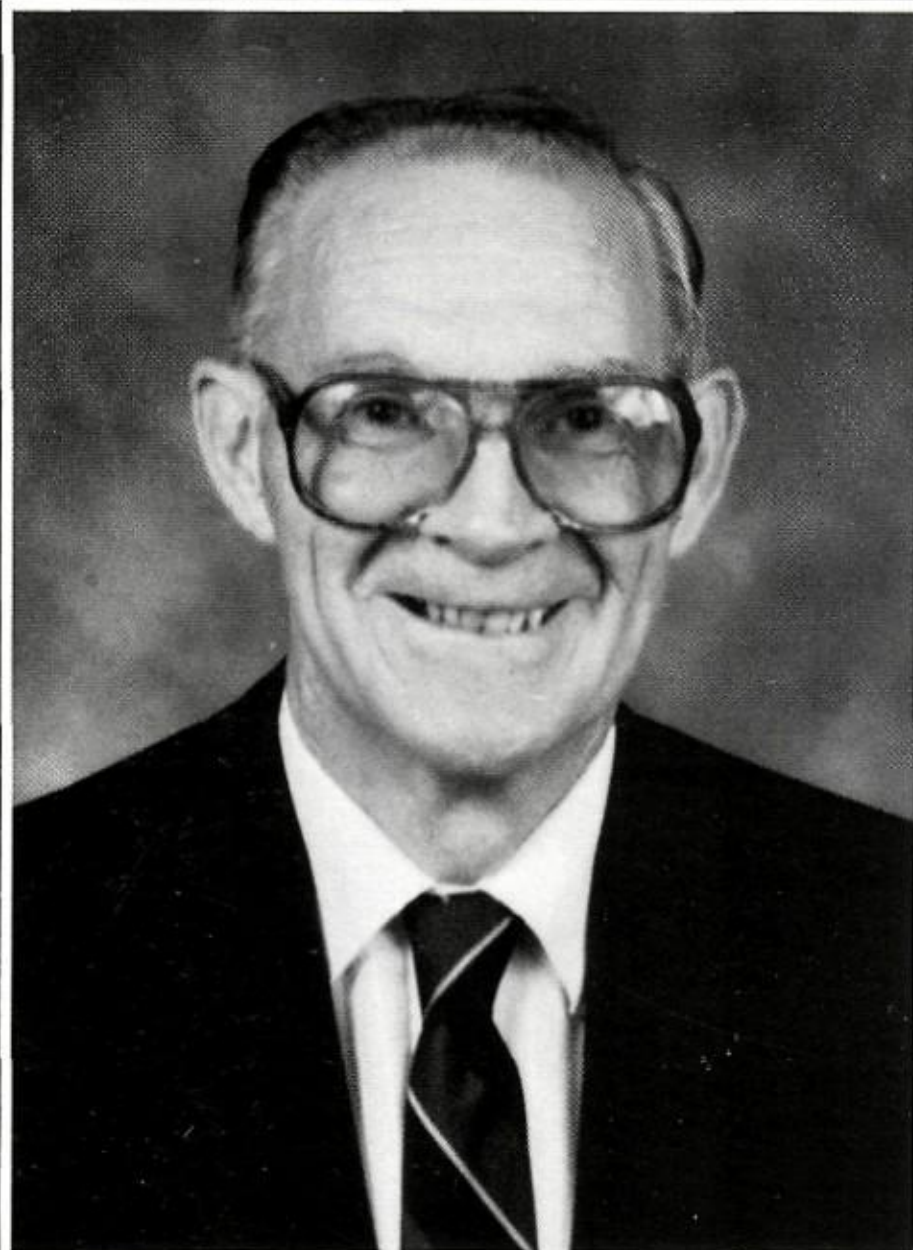

You are a Warrior, Mr. Edwin Cashman, Jr., to whom the 1987-1988 WARRIOR is dedicated because you "do your work heartily, as for the Lord rather than man; knowing that from the Lord you will receive the reward of the inheritance. It is the Lord Christ whom you serve. And whatever you do in word or deed, you do all in the name of the Lord Jesus, giving thanks through Him to God the Father."

Seniors

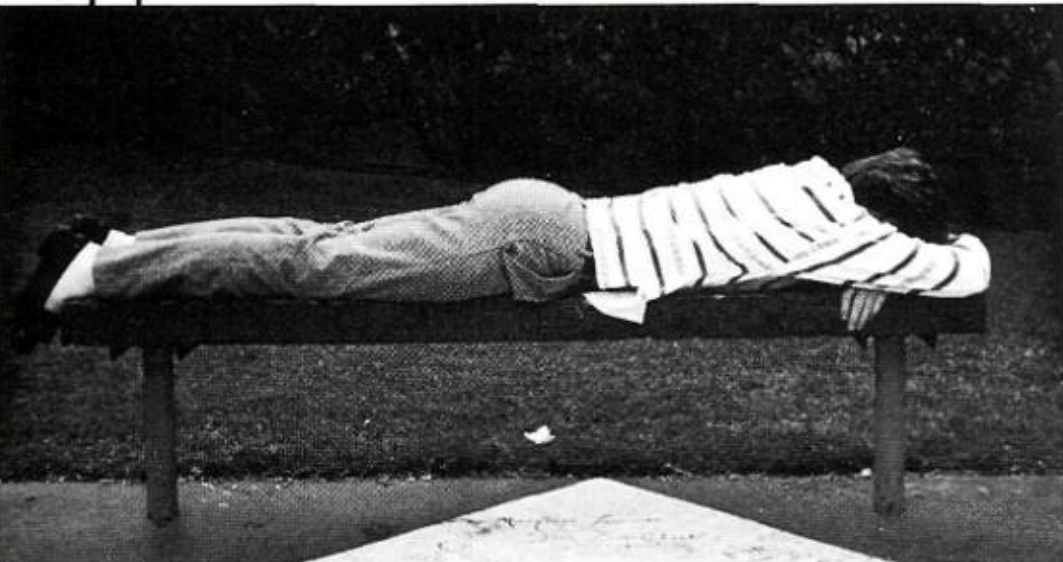

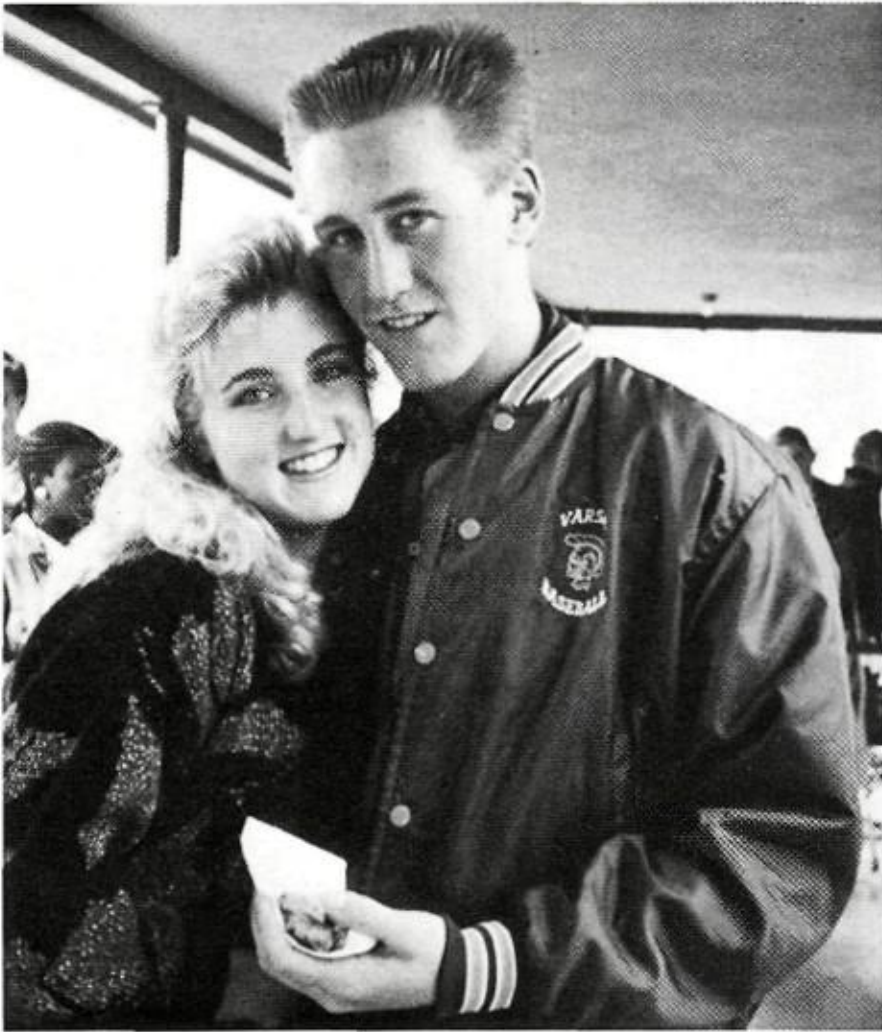

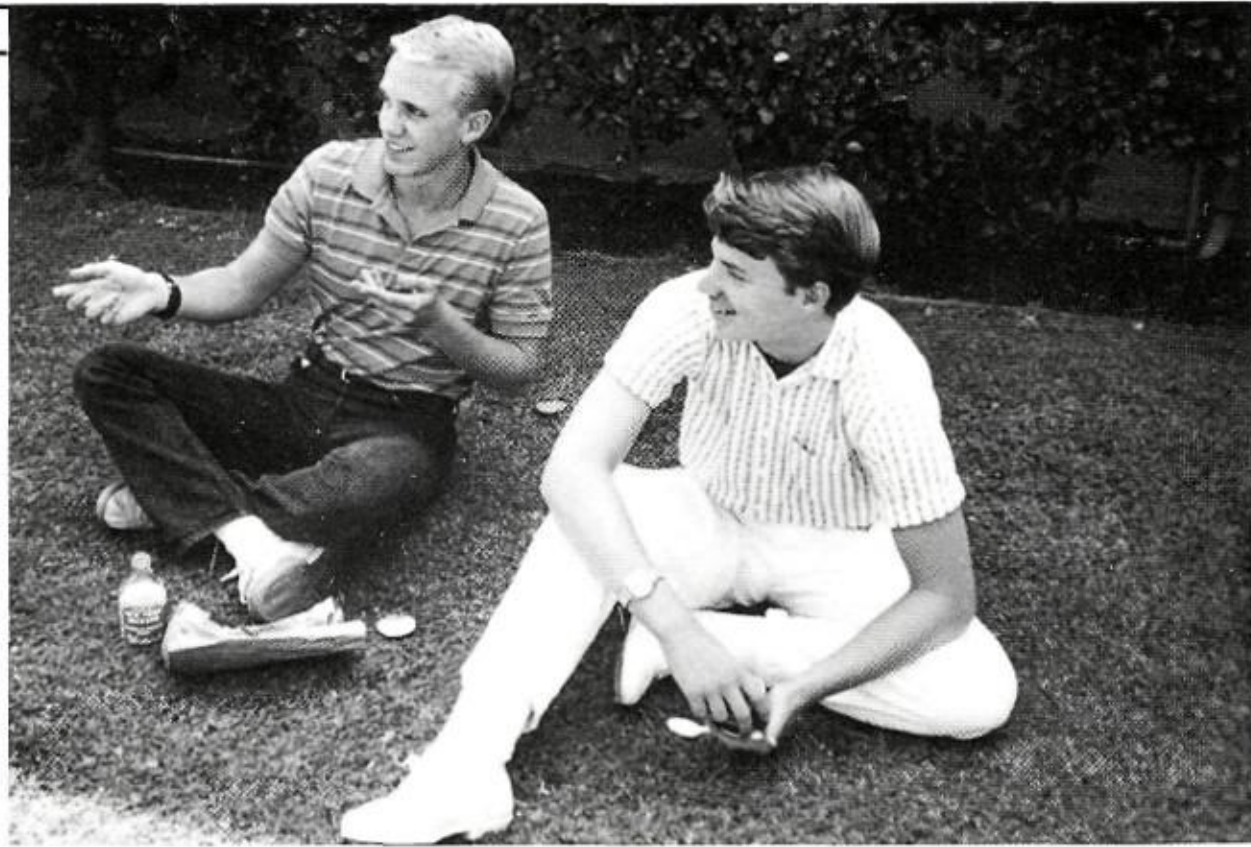

Undoubtedly, Seniors look at things from an entirely different angle. They are coming out of their cocoon and are ready to get out on their own. If they seem a little edgy don't get the wrong idea. They are just ready to spread their wings and fly.

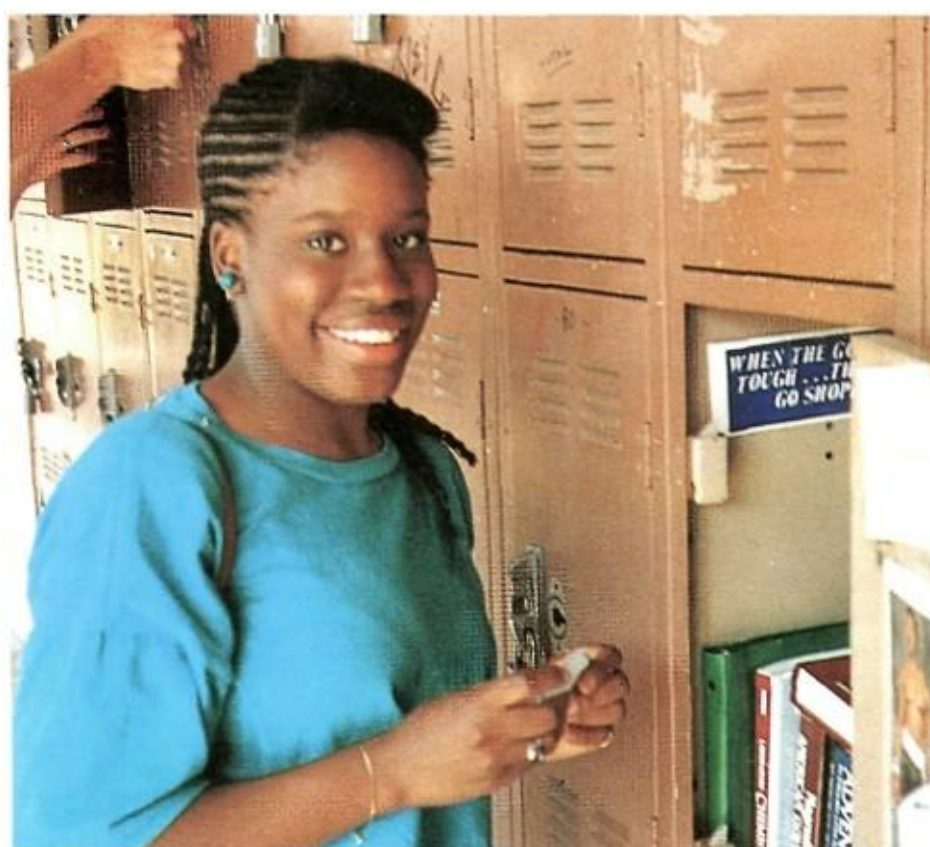

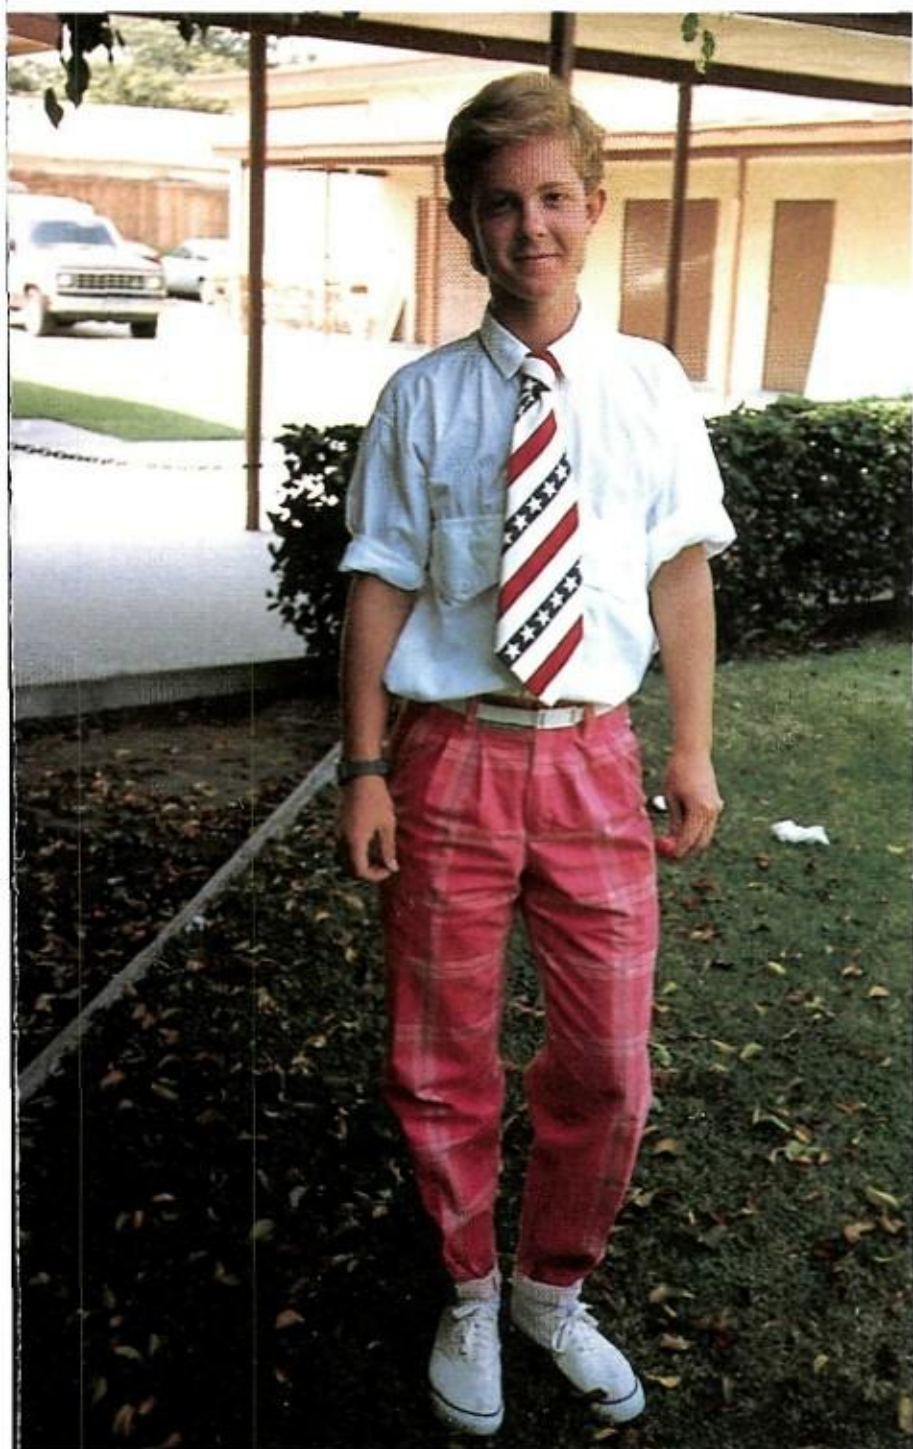

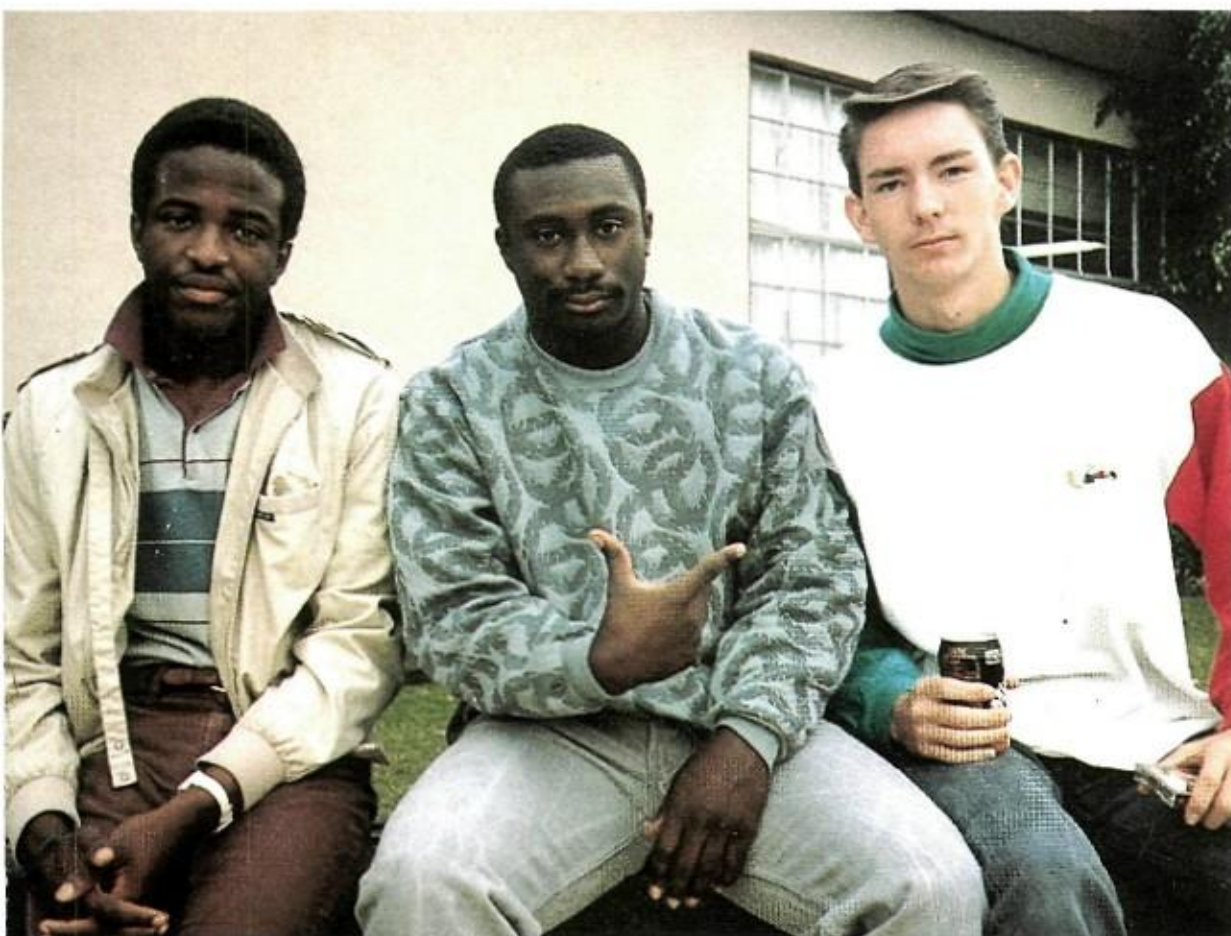

Seniors 88

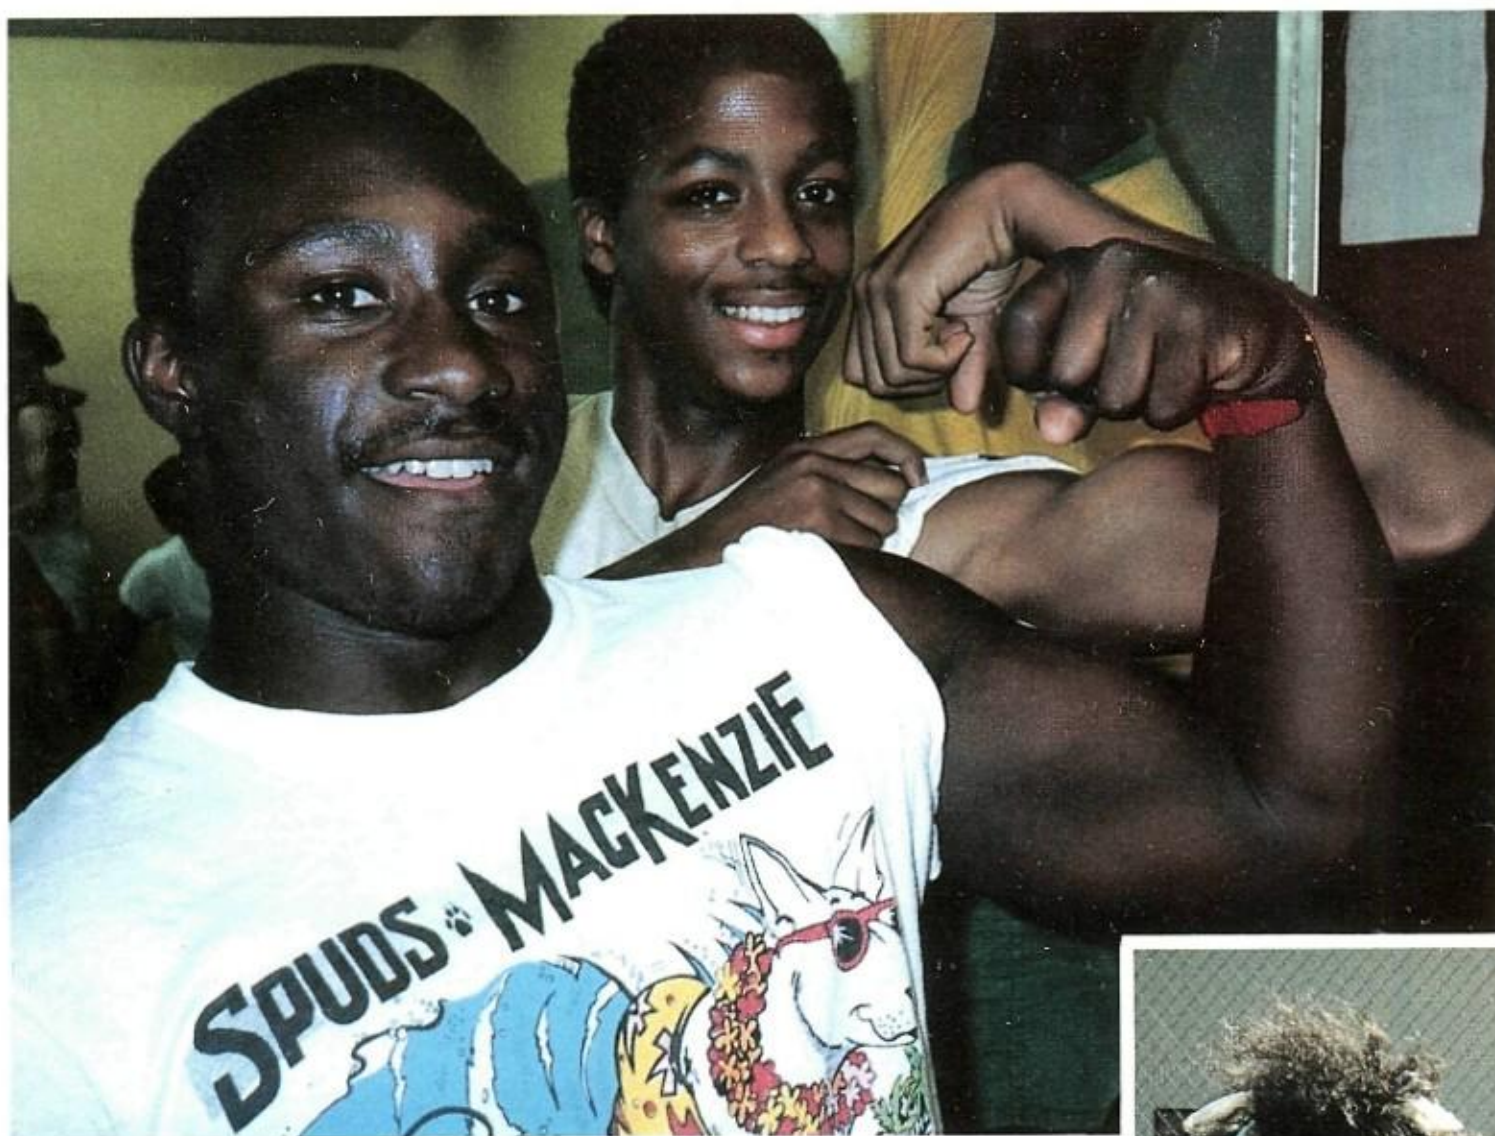

**President — Julia Burch, Vice. Pres. — Margaret Robison,

KIESHALON GAINES: “I want to be a psychologist.”

GWEN LOVITT: “I want to marry my honey, Scottie, and be a terrific Mommie and wife and still spend money and go to lunch with Dava.”

DAVA CLEMETSON: “A.K.A. The Future ‘Dava Dillard’ wants to open a home for the mentally handicapped and ends up living happily ever after with Gwen and Scott.”

ROSHAWN STEPHENS: No Comment . . . She is still laughing.

CYNTHIA PATTERSON: “I want to be a stewardess.”

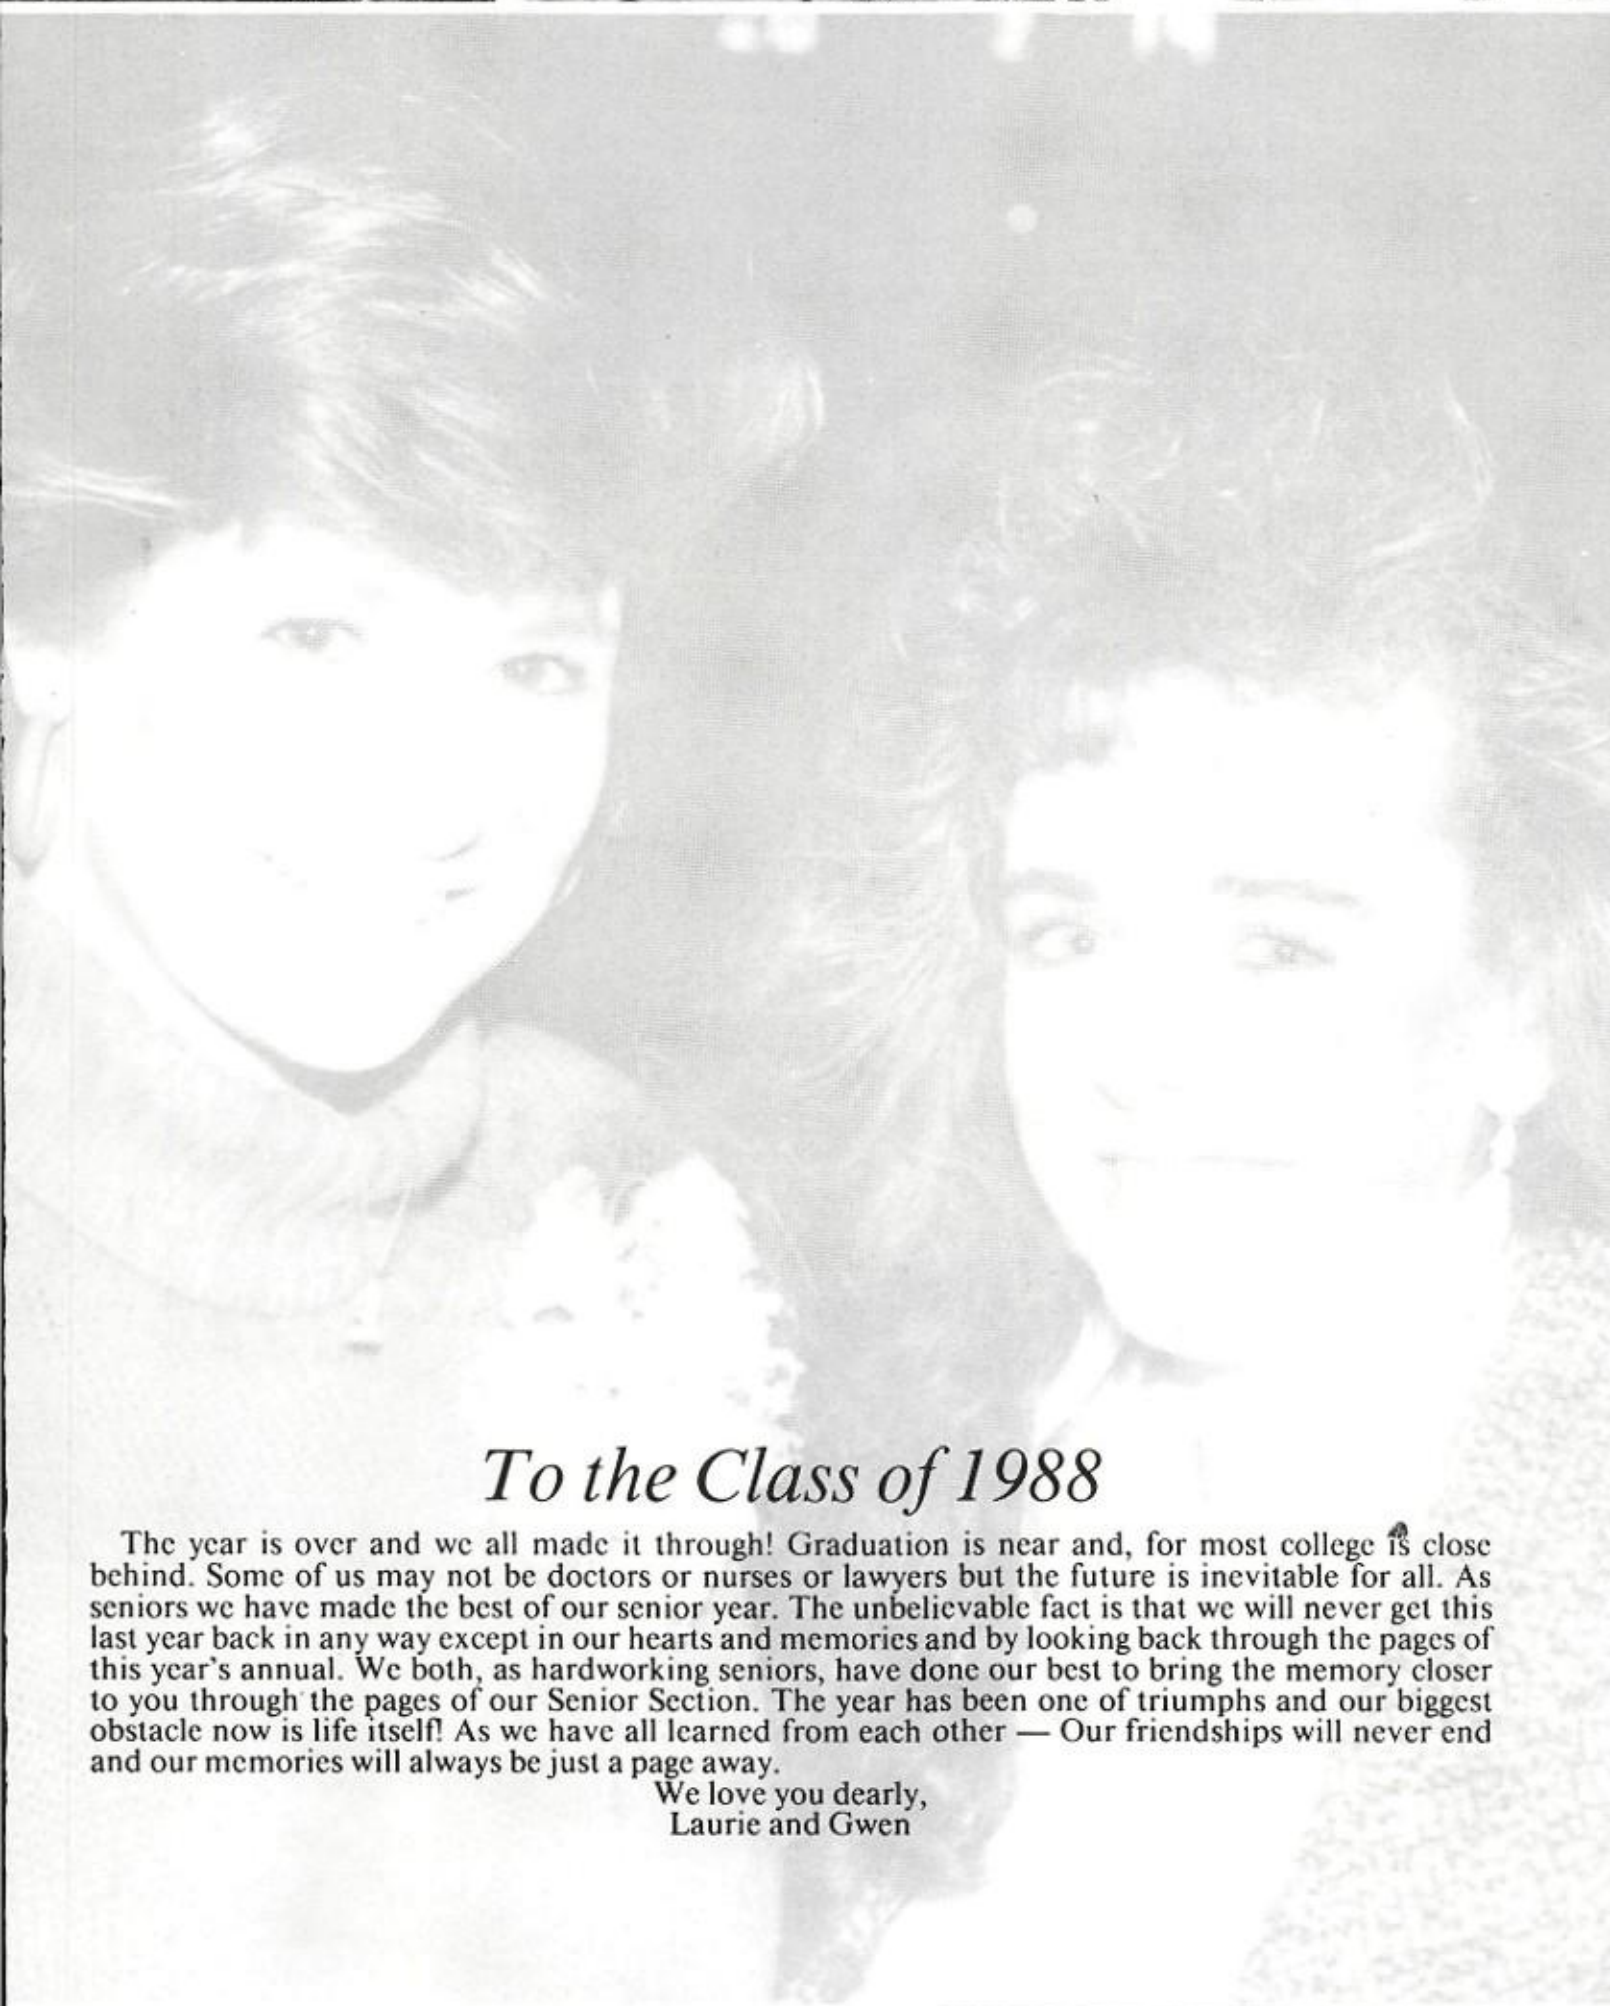

JEANNETTE BIXBY: “I want to be Queen of England.”

CHRISTY BARNES: “I want to be a Fashion Model.”

SHAWN ALBRECHT: “I want to be a famous architect.”

CHERÉ CANTRELL: “. . . Married and enjoying the ‘yuppie’ principles.”

MARGARET ROBISON: “Will become a nanny for Laura and Matthew.”

To the Class of 1988

The year is over and we all made it through! Graduation is near and, for most college is close behind. Some of us may not be doctors or nurses or lawyers but the future is inevitable for all. As seniors we have made the best of our senior year. The unbelievable fact is that we will never get this last year back in any way except in our hearts and memories and by looking back through the pages of this year's annual. We both, as hardworking seniors, have done our best to bring the memory closer to you through the pages of our Senior Section. The year has been one of triumphs and our biggest obstacle now is life itself! As we have all learned from each other — Our friendships will never end and our memories will always be just a page away.

We love you dearly,
Laurie and Gwen

Seniors in Neutral

It is no secret, seniors take their cars very seriously. We wash, scrub, and polish them as if they were priceless jewels. No matter who you are and no matter what the car, pride runs deep. Friends seem to always feel free to tease each other about their cars or lack of, but let's face it, we are proud of our cars! After all, no self respecting bug owner will take too many jeers like "Get a *real* car." I am sure none of us will ever forget the hassles of deciding what cars would be permitted on senior square for the all senior picture! The truth is, we feel close to our cars. They have taken us everywhere we wanted to go; to games, to parties, to the beach, to our friends' homes, and let us not forget, to school. Memories are made as the miles grow. Years from now we will probably look back and laugh at how proud we are of our cars. But until then let's enjoy our pride, for it is all a part of high school days.

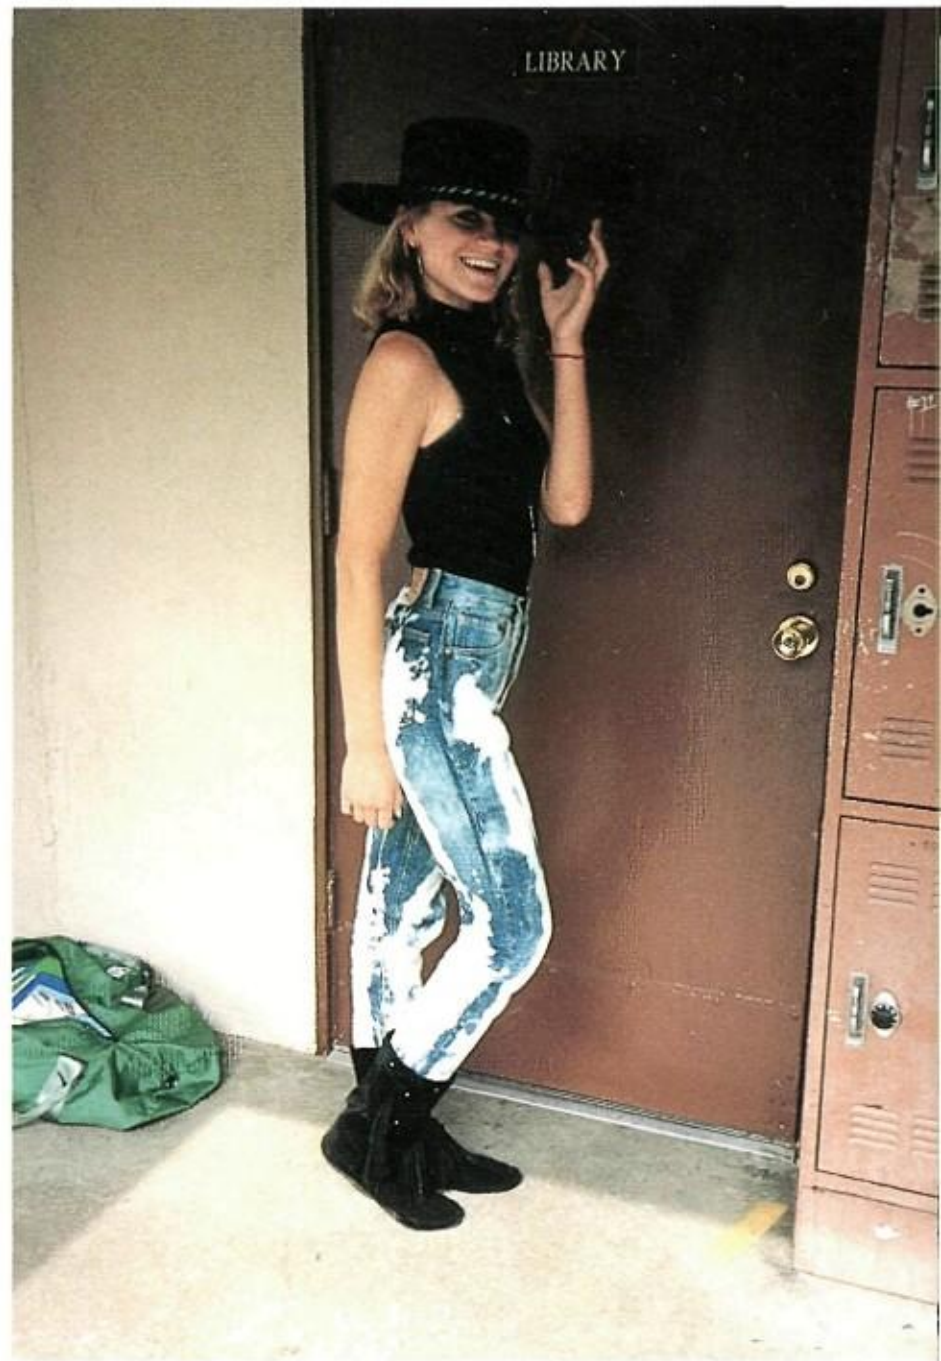

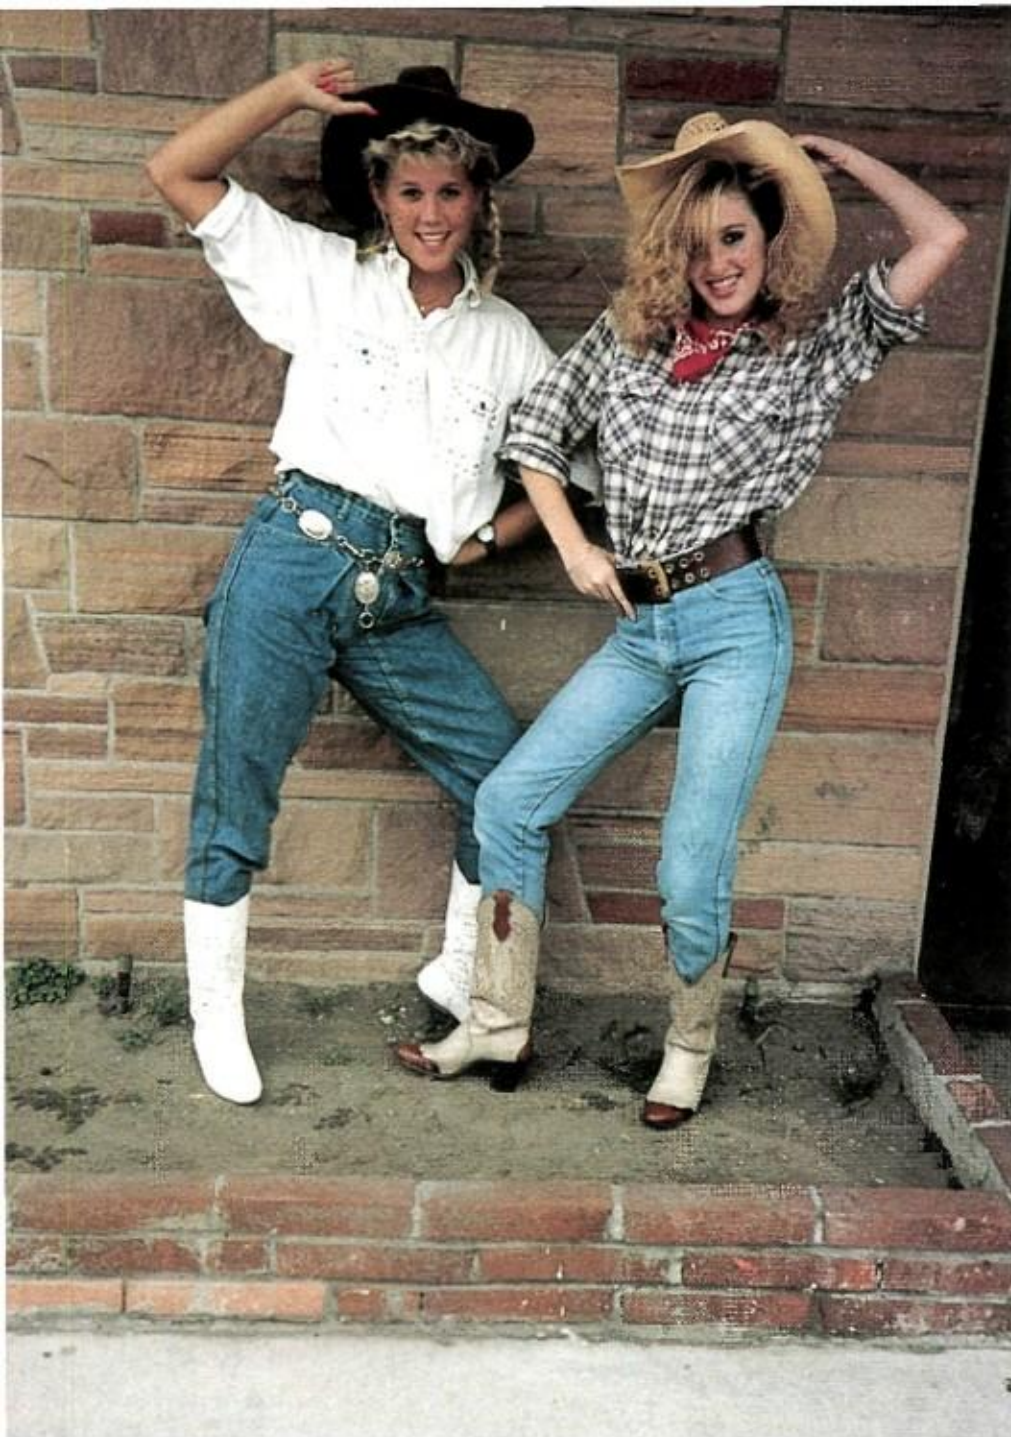

Activities

Face it, activities are a very important aspect of school. They're tension breakers. All work and no play, what kind of school would that be? Most of us couldn't get through the year without activities. They give us time to be with our friends, laugh, and get a little crazy. Whether it be the science club field trip, the Junior/Senior Banquet, or anything in-between, these special events are sure to be lots of fun and bring many memorable experiences that will last a lifetime.

Spirit Week

Catch the Warrior Spirit

Behind every victorious Homecoming Game is an underlying current of school spirit. At BHS pep rallies are held to increase students' excitement and enthusiasm for the games. Yet, even before the pep rally took place school spirit had been running high because students had been "Puttin' on the Ritz" all week long.

Swallowing our self pride we dressed in clashing colors, in formal attire, as twins and triplets, and showed our class spirit by wearing our own class colors. Excitement and anticipation peaked in the Homecoming Night's festivities.

Homecoming 87/88

Puttin' on the Ritz

On October 23, Brethren High School proudly welcomed the student body and alumni to the Homecoming festivities. We traveled back in time to 1930 New York City, where the 1987/88 Homecoming court spent an evening "Puttin' on the Ritz." As the evening unfolded, attention centered down 5th Avenue to a small group of elegant young couples on their way to their high school Homecoming.

Enthusiasm soared as the princesses were escorted on stage. Mr. Ralston brought the evening to a peak as he delivered the envelope, containing the name of the queen, to Mr. Brown our emcee. Applause filled the room as Jeannette Bixby was officially crowned the 1987/88 Homecoming Queen.

Jr./Sr. Banquet

It is a tradition at our school that the Junior Class Officers plan the Jr./Sr. Banquet as a farewell gift to the graduating seniors. Of course, many hours of planning are required. Pictured below are the hard working Junior Class Officers: Jennifer Munneke, Venus McCardell, Kim Sedwick, Joe Hamilton, Angel Hurley, and Judy Burnside.

After careful consideration of the finest hotels, the officers decided on the Hyatt Regency, Long Beach, a spectacular setting for a special event like the Jr./Sr. Banquet. Located on the harbor's edge, the Hyatt Regency, Long Beach is adjacent to the Long Beach Convention and Entertainment Center and across from Shoreline Village, the Queen Mary, and the Spruce Goose.

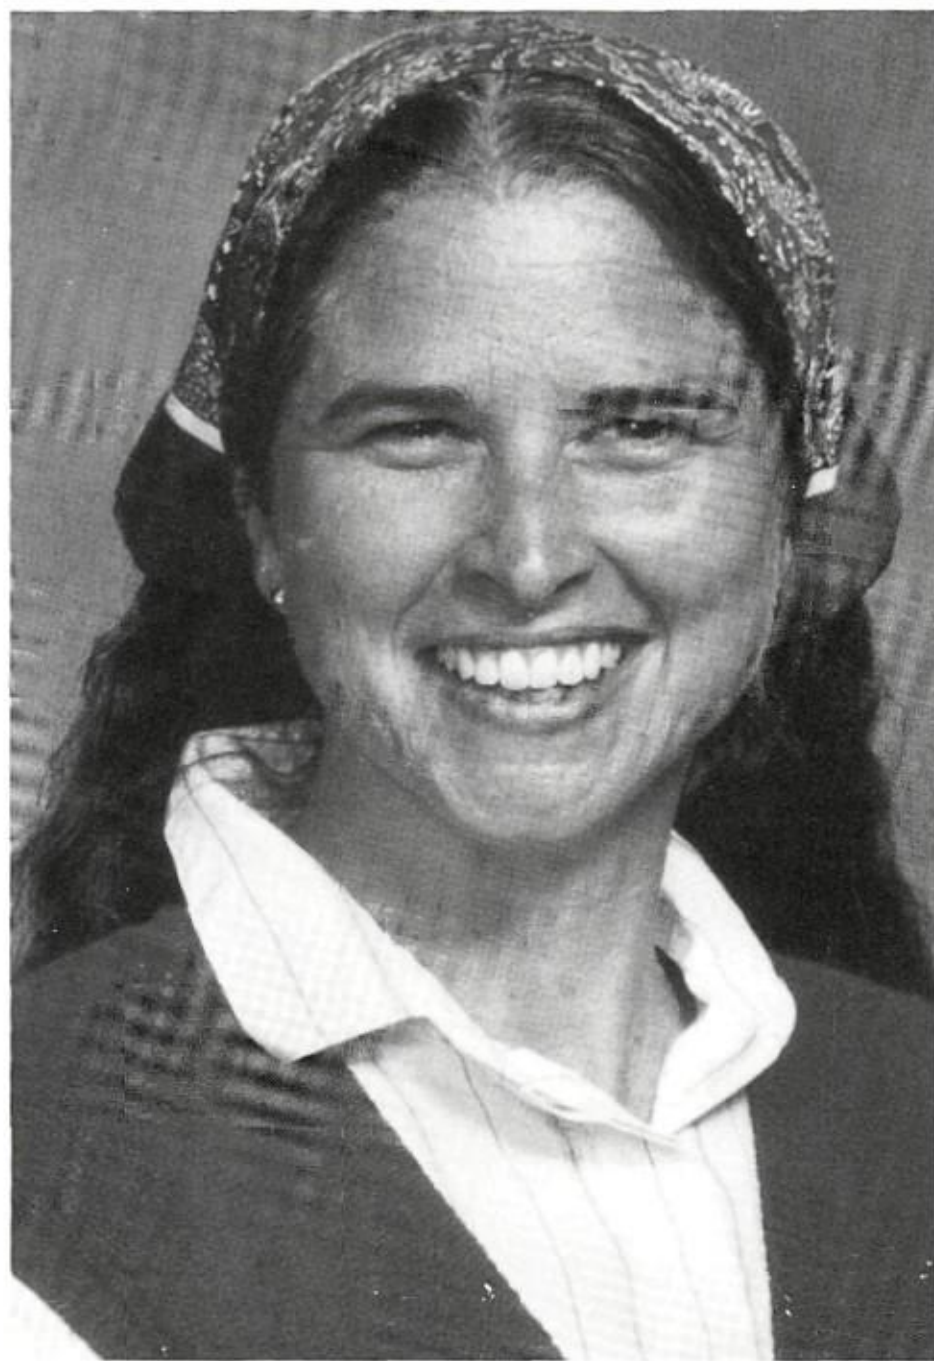

From a Spiritual Angle

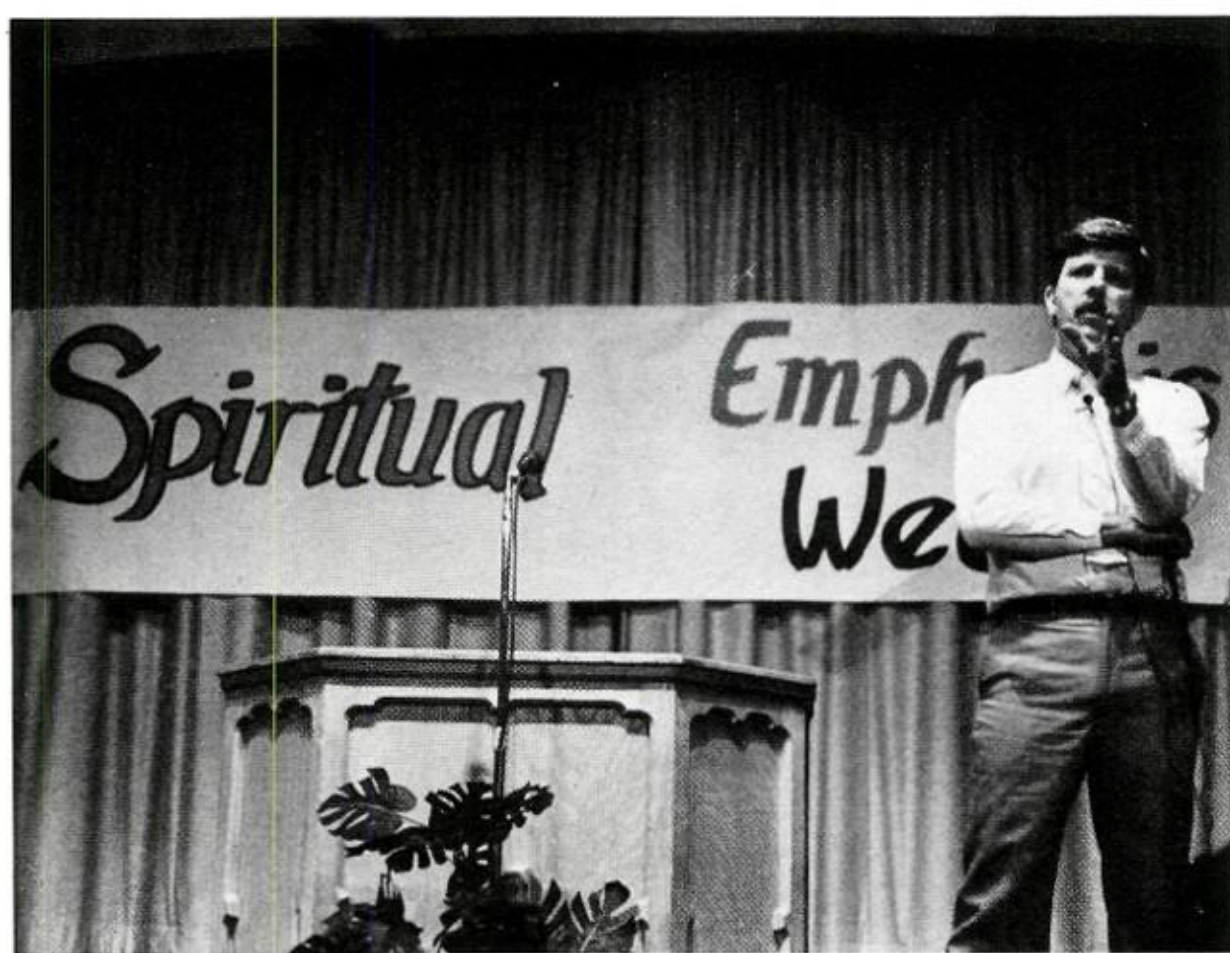

Mike Slater started off this year's chapels with a bang during Spiritual Emphasis Week. His encouraging message on supporting one another set the pace for chapels to come.

Chapels ranged from our own Denny Brown to magician Adam Christianing whose message on "Don't let Satan distract you" was an inspiration to all. Alumni Kathy Rowell gave her testimony on her experience as a missionary in the Philippines. The Royal Servants gave everyone an opportunity to witness in a summer trip to Europe.

The choirs directed by Miss Hutton gave an excellent performance in our Thanksgiving and Easter Concert. The year was completed with our traditional Senior Class farewell chapel.

Departments

Is there life after 2:35, or how about detention? Both the faculty and students look at things from another angle after the pencils and books are put away. Since all we know is what we see, and what we capture on film, will we ever know if there really is life after 2:35?

A T R U E L I G H T

— Dr. Hanford Rants —

“Let your light so shine before men, that they might see your good works and glorify your Father who is in heaven.”

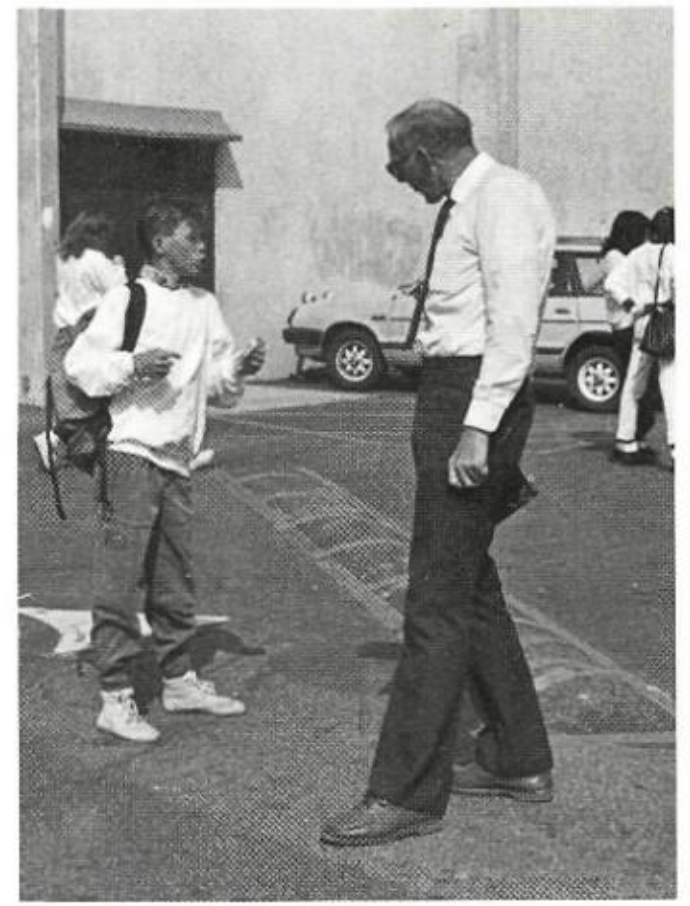

Matthew 5:16

Four years ago we were introduced to the man who would be our new principal, Dr. Hanford Rants. We first met Dr. Rants in our U.S. History classes as he shared with us his experiences from World War II. From the very beginning we saw the discipline, determination, and caring heart that this man possesses. Brethren High School had many changes to make when Dr. Rants first arrived and through each year we have benefited from his wisdom, his helpful hand, and his caring words. Dr. Rants, we have learned, through your LIGHT shining among us, the importance of being godly people, of having a servant's heart. You have continually challenged us to follow you as you follow Christ — a challenge many leaders today are afraid to make — yet you challenged us with this and then strongly and quietly lived your Christ-honoring life among us. Dr. Rants, we have felt the love you have for us and hope you have known our love in return. The seniors feel especially close to you since we started our years at Brethren High School together. You have been a major part of our lives. We will always remember that you taught us to pick up after ourselves, that we are beautiful, and most importantly, to let our lights shine. Thank you. We love you and we will miss you.

Underclassmen

What's more painful than going to the orthodontist, and getting your braces tightened? What's more exciting than catching your first wave, but more anticipated than your first kiss? Being an underclassman! Having a crush on an untouchable senior, or going to the formal, life as an underclassman has its ups and downs. But do not fear, for this is an angle in your life you will always remember.

Sports

From football to tennis, BHS athletes enjoyed a year of successes. Even though they were not always on top they were always giving one hundred percent. Throughout the wins and the losses the spirit of BHS was carried by the fans and the athletes to every meet, game, and tournament. After all, its not whether you win or lose, but how you play the game. In victory or in defeat, the Warriors left with pride.

Varsity Football "Running Wild"

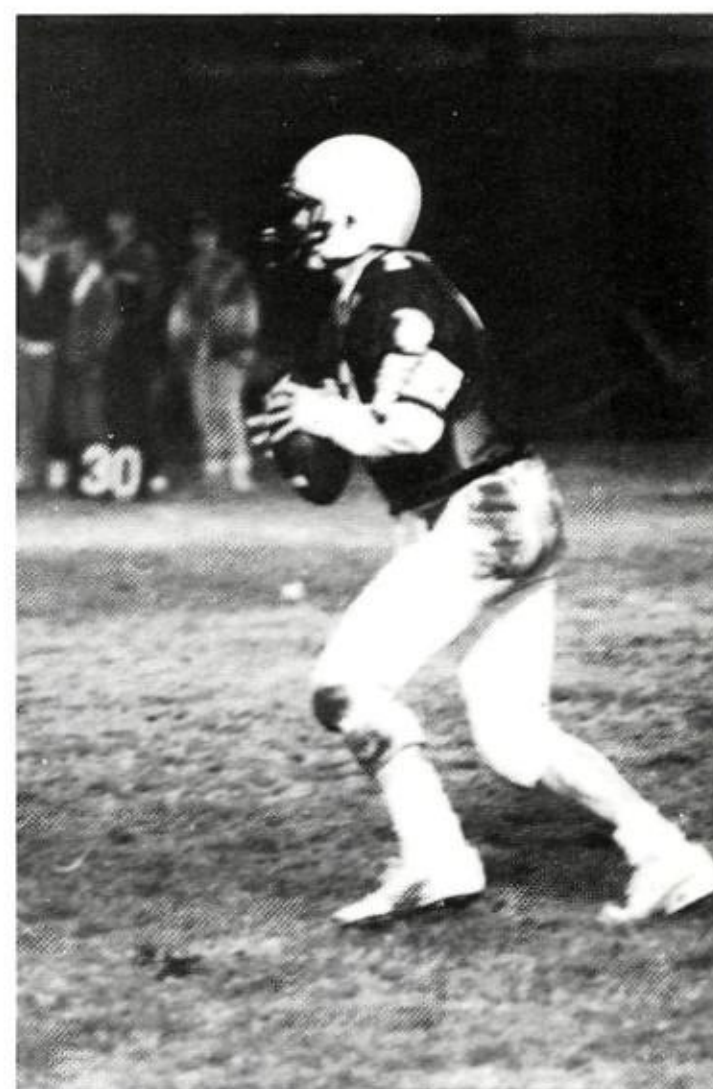

This year's Varsity Football team started the season with a new coaching staff, a new option offense and a core of hard working players. Every game the team made tremendous improvements as they played with intensity for the glory of God. With two of the best running backs in the league, Robert Traylor and Carlos Sidney, the Warriors emphasized the running game in their offense with a trick play thrown in here and there. The highlights of the year were a great homecoming victory over Southern California Christian and a record-breaking win over Valley Christian.

Varsity Basketball Shooting for C.I.F.

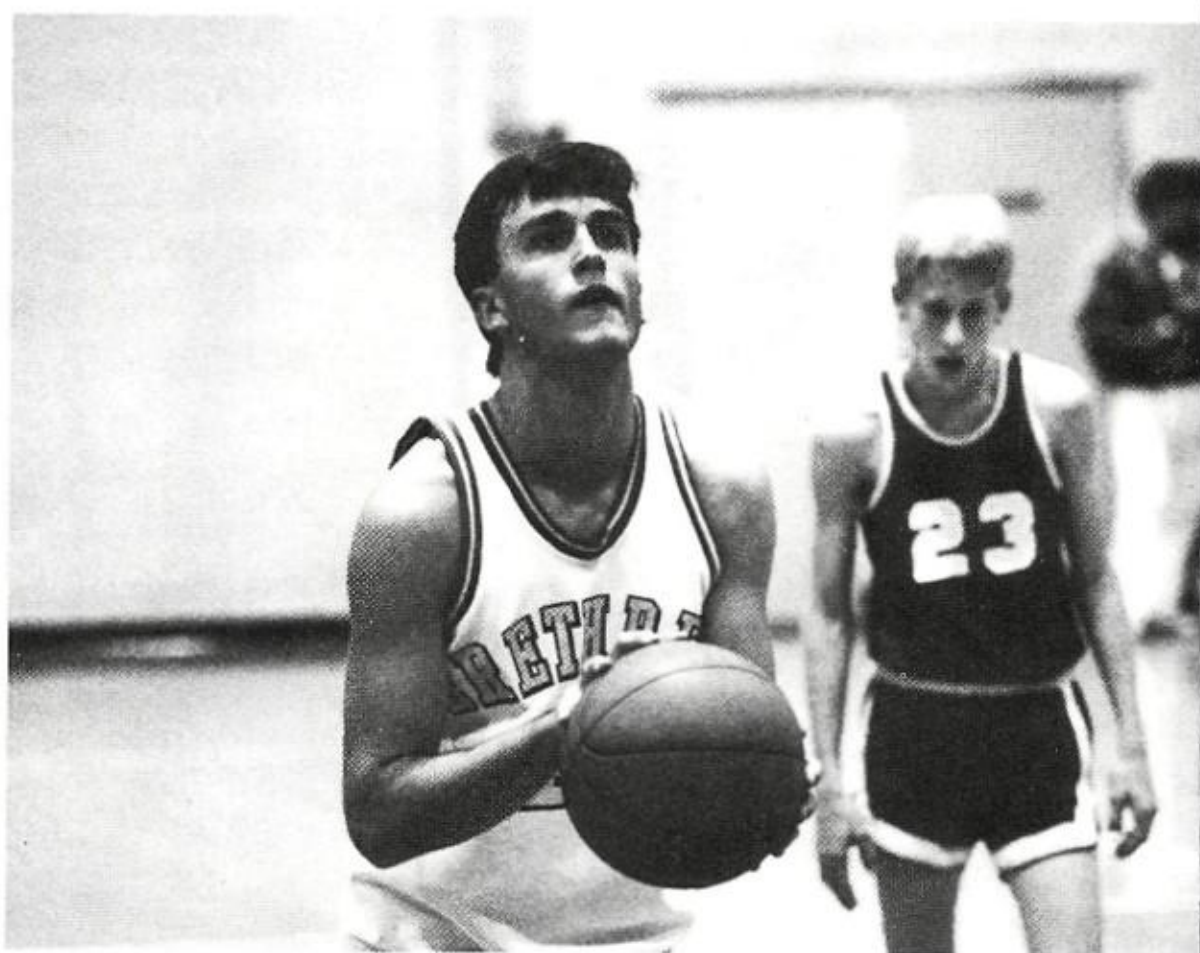

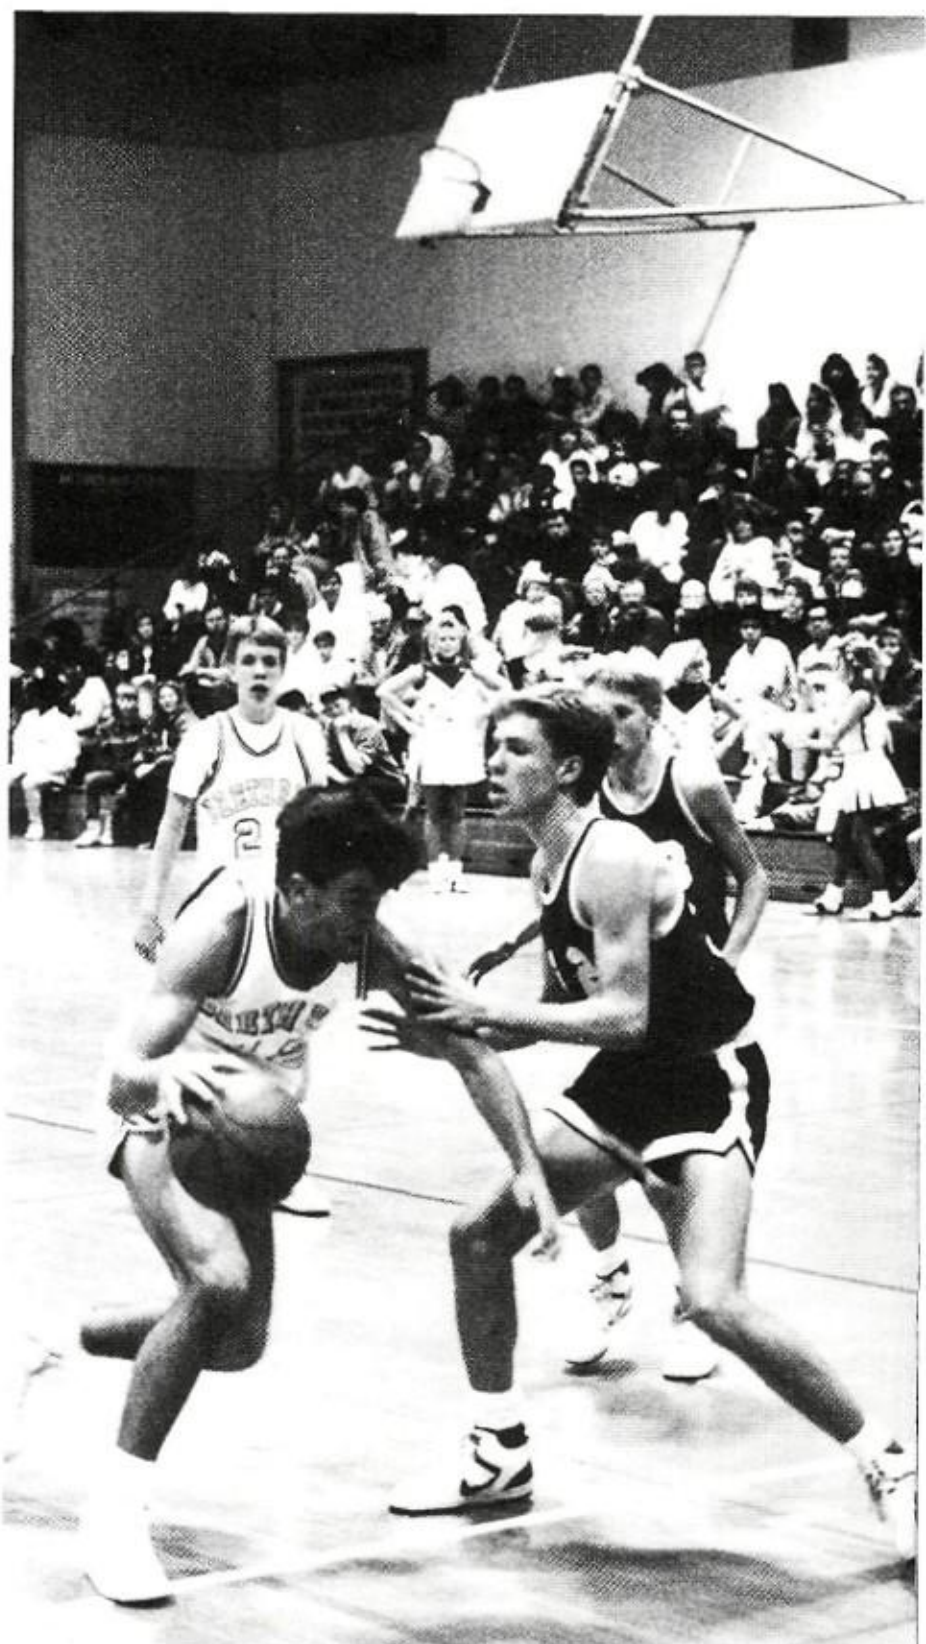

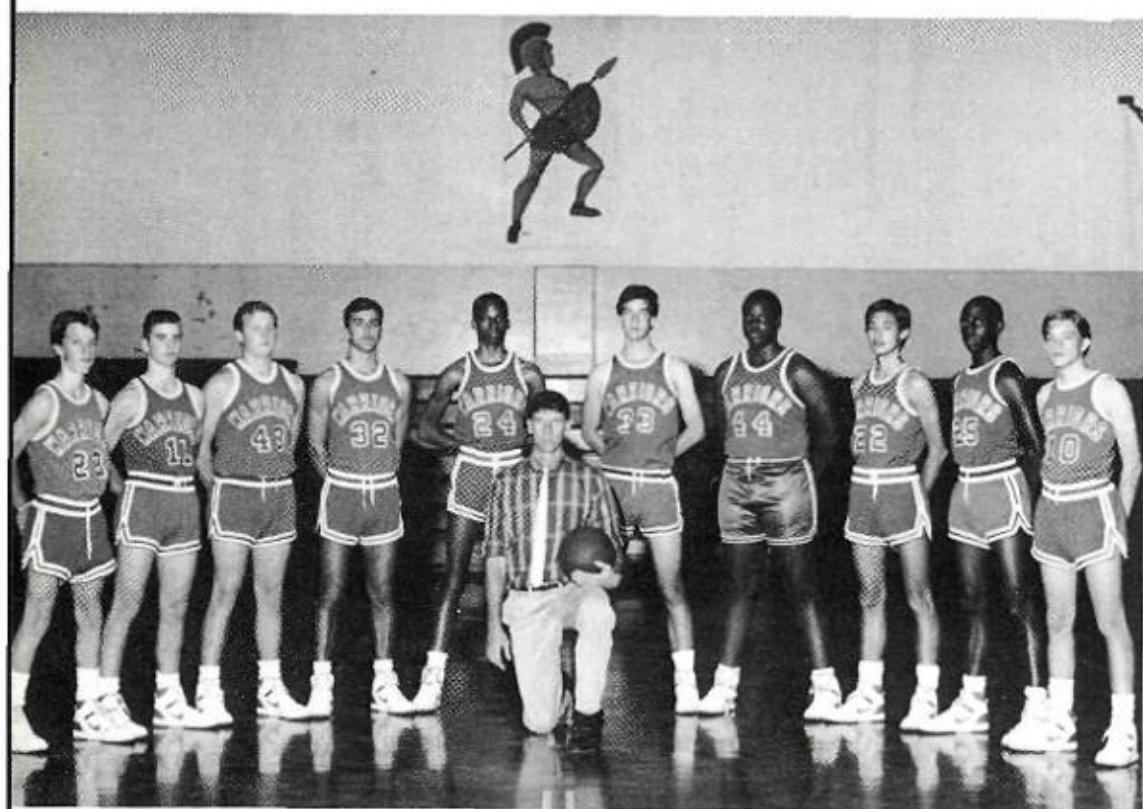

This year's varsity basketball team is definitely on their way to the top. Led by seniors Mike Coffin, who averages 24 points per game, and D'Andre Brown who averages 17 points per game, the team should finish near the top of the Olympic League. In pre-season play, the Warriors lost only five games by no more than seven points. In league action, the Warriors had exciting wins over Orange Lutheran and number one ranked Whittier Christian. Team members Gavin Edmundson, Mike Elliott and Todd Mitchell have also contributed to the team's success with their defense, rebounding, and shooting. Although this team is losing eight seniors, next year's team should once again be contenders for the league championship while being led by Todd Mitchell, Gavin Edmundson, and new players Joe Hamilton, Chris Beck, and Cameron Carey.

Varsity Soccer

Fancy Footwork!

Soccer is a game played with intensity, agility, and quickness. The 1987-88 varsity soccer team developed these skills under the direction of Coach David Hocking. The importance of team unity was also emphasized and became a key factor in team play. Leading game play were Robert Trimmer and Chadd Newland who combined their talents to score many goals. Guiding the team in the middle as center half was senior John Parker, who received the Most Valuable Player award and made First Team All League. Strong defense was provided by seniors Wayne Vogler and Doug Terpening. Doug made Second Team All League and was voted Most Inspirational Player by his teammates. Special support and talent was supplied by Brandon Stott who played both soccer and basketball concurrently. At the close of the season the team had some memorable games, especially against crosstown rival Valley Christian and an exciting but disappointing 1-0 loss to Ontario Christian.

Varsity Baseball

"Swinging Away"

The game of baseball takes a special kind of athlete. He must be both mentally and physically prepared at all times, in order to win. The 1987-88 Varsity Baseball was one such team. Each player, thanks to Coach Richard Thomas and Coach Jack Nichol, was completely prepared for each game. According to Coach Thomas, this years team was the best "all-around team" Brethren has put out for several years. The team worked very hard during the season to try to accomplish what had not happened for several years, to reach the playoffs. If any team could make it, this hard-working team is the one.

Varsity Track

"Sprinting to the Top"

Track meets are exciting to watch, especially when a team has the abundance of talent that our 1987-88 track team does. A key returning member from last year's team is Lisa Hunter who last year, as a freshman, participated in the State Championship in the 200 meter dash, also returning: Krystal West who finished sixth in CIF 100 meter hurdles last year and Cynthia Patterson, Lisa Hunter, and Linda Grayson, members from last year's 400 meter relay team that finished third in CIF. Long distance runner Chris Neilsen is strong in the two mile run and Alpercy Bennett is a top high jumper. Two members from last year's excellent 400 meter relay team, Brandon Bruce and Carlos Sidney are also returning. Carlos was also a CIF qualifier last year in the both the 200 and 400 meter dashes. Although very strong in the track events, the field events are rebuilding this year and we look for future success from them.

Cross Country

"Going the Distance"

The members of this year's cross country team, although few in number, became contenders for Olympic League individual honors. The team was led by Chris Nielson, the team MVP and John Parker, the team captain.

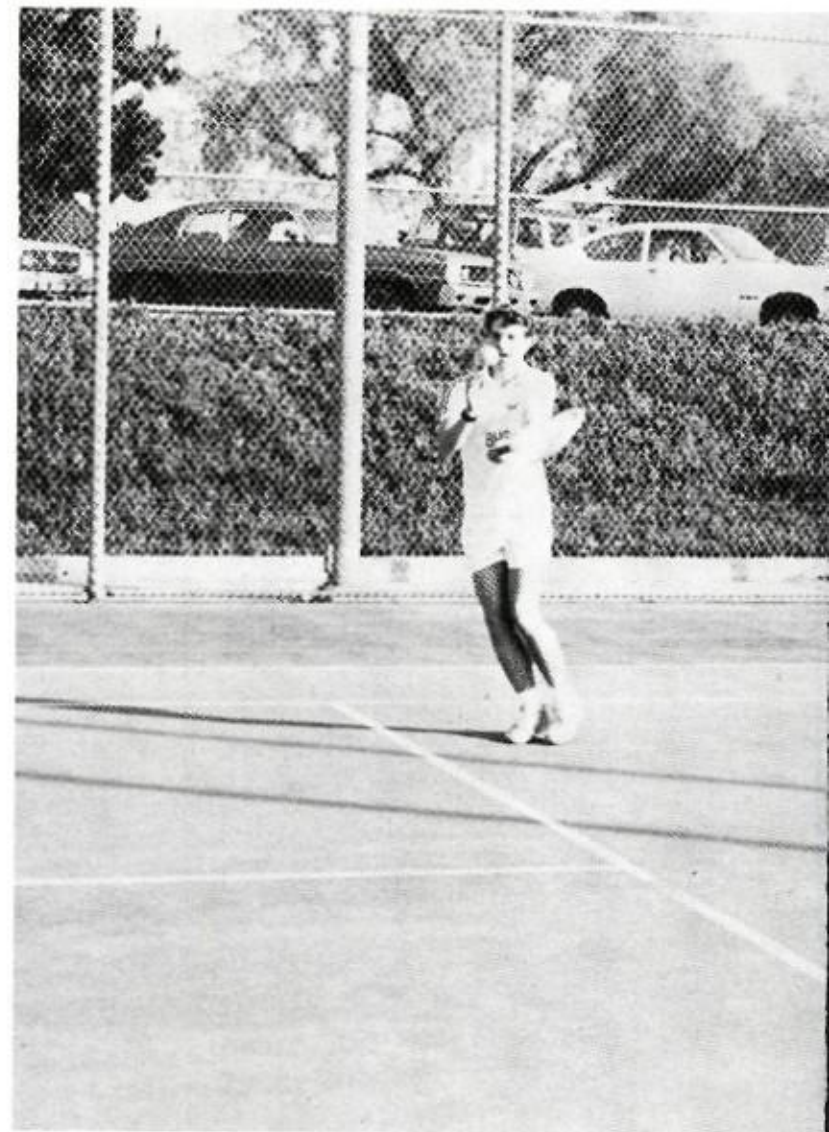

Chris Nielson, a junior, was the number one runner this year. He ran the three mile course in 16:20, his best personal time. This time earned him a second place finish at the league championships and enabled him to participate in the CIF preliminaries at Mt. San Antonio College.

John Parker, a senior, had his best year placing 8th at the league championships which put him on the Olympic All League Team. Although the team is losing two seniors, next year's team should be just as strong as the 1987-88 team and once again have runners in CIF.

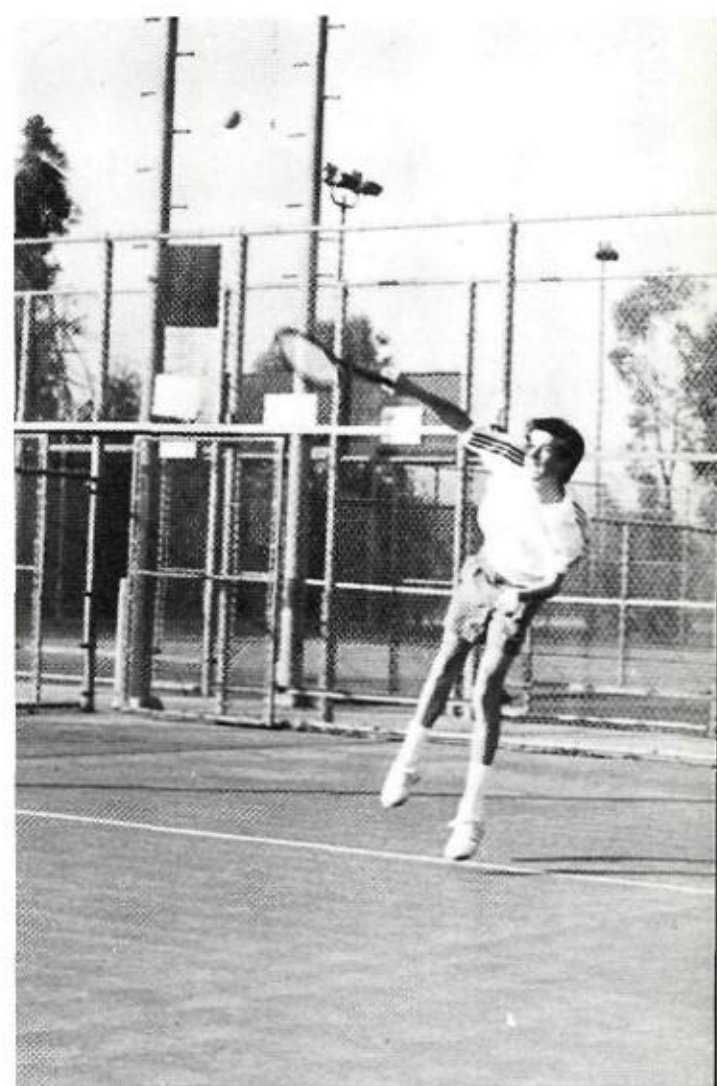

Tennis

"At the Net"
The 1987-88 BHS tennis team was an extremely young squad. Many of the players were first year players, including six freshmen. But even though they were new players, each of them played to their full potential, and consequently did well, gaining a great deal of experience with each match. Two returning players, who did not need experience were Senior, Mike Elliot, and Junior, Mike Gaede. With the talent and experience this team has we can only look forward to many exciting matches in the future.

Way to go!

Varsity Volleyball

"Spiking to Success"

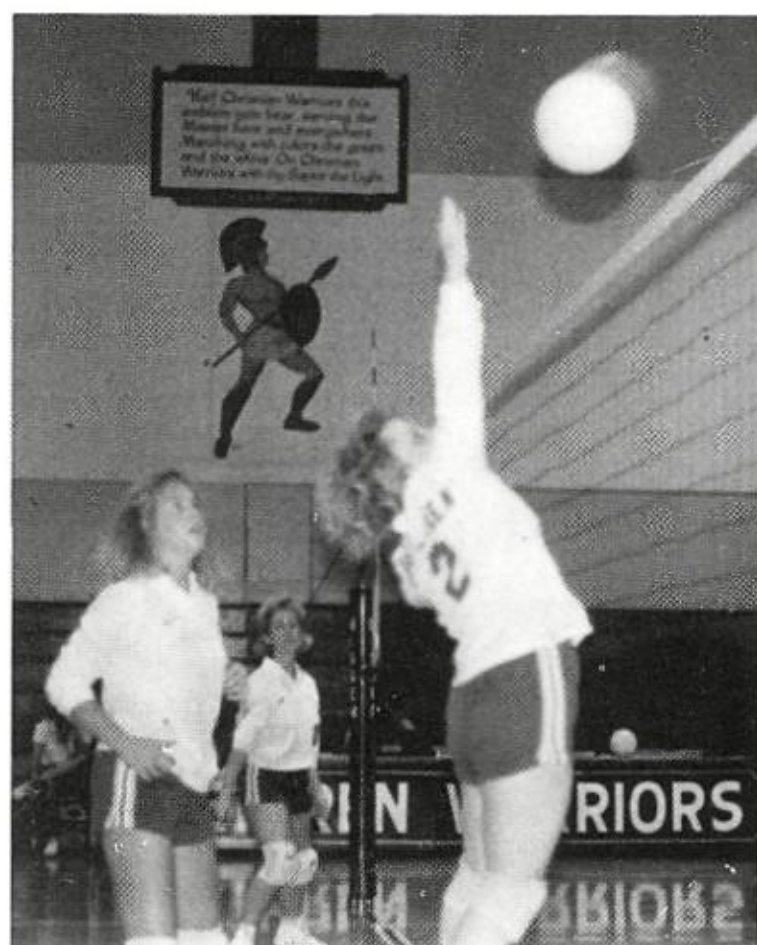

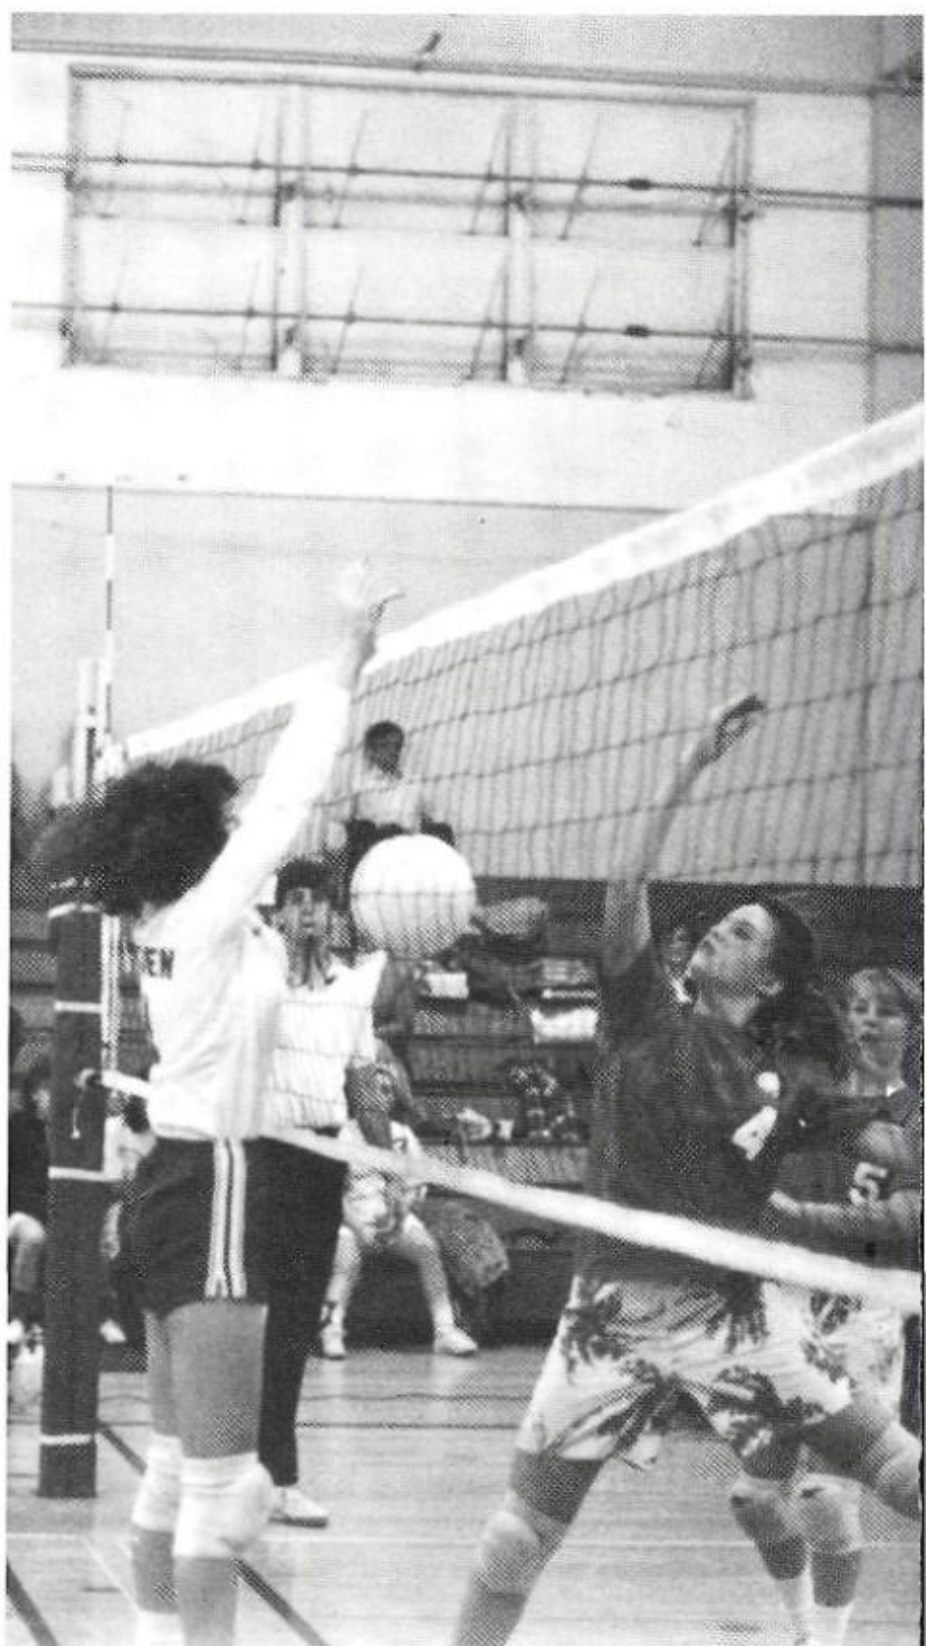

Volleyball is an intense game of bumping, setting and spiking. This year's varsity team definitely lived up to their motto "Spiking to Success." The team was led with outstanding hitting from seniors Linda Grayson and Candi Bell, as well as junior Paige Yerxa. Kathy Bacalan, a junior, directed team play with her consistently accurate sets, as well as her encouraging attitude. Vangi Edmundson and Kathy Bacalan contributed much with their excellent back row defense. One of the most memorable matches was against Whit-tier Christian. The match went five games, each game decided by only two or three points. Both teams played extremely well, Brethren's Linda Grayson, in particular, having many superb spikes. Finishing the season with a 7-8 record the girls missed going to CIF play-offs by one match.

Varsity Basketball Runnin' n' Gunnin'

Runnin n' Gunnin is exactly what the girls' varsity basketball team did this year. Averaging only about five feet six inches in height, the team's run and gun style of play enabled them to score against much taller teams. After losing five seniors to graduation only two players returned: Candi Bell and Cyndi Patterson. Using excellent assists from Cyndi Patterson who led the offense the team had many great games. Candi Bell, the team's leading scorer, had exciting games against Whittier Christian and Ontario Christian in which she scored 26 points against. Outstanding defensive plays were provided by Linda Grayson with shot blocking and Lori Williams and Latisha Green with rebounding. Kieshalon Gaines was the team's long range shooter with back up help from Angel Hurley and Greta Vines.

Varsity Softball

"Defensive Demons"

Softball is often thought of as merely a recreational sport, but that is not entirely true! For this year's varsity team Coach Denise Fairbanks is making sure it is a game of teamwork, hard work, and practice. Several strong players are returning from last year. Jeannette Bixby, second baseman, is a fast, smart baserunner who is known for her base stealing. Kathy Baccalan, an excellent third baseman, Jana Cross, the team's catcher who can also fill in as pitcher, and Linda Darnell, a fine pitcher are also returning. Helping to round out the team's strong defensive play is Paige Yerxa, a very talented shortstop. This team's unusually strong defensive play combined with consistent hitting and quick baserunning is not only successful but makes them an exciting team to watch.

Phil. 4:13

I can do all things through Christ which strengthens me.

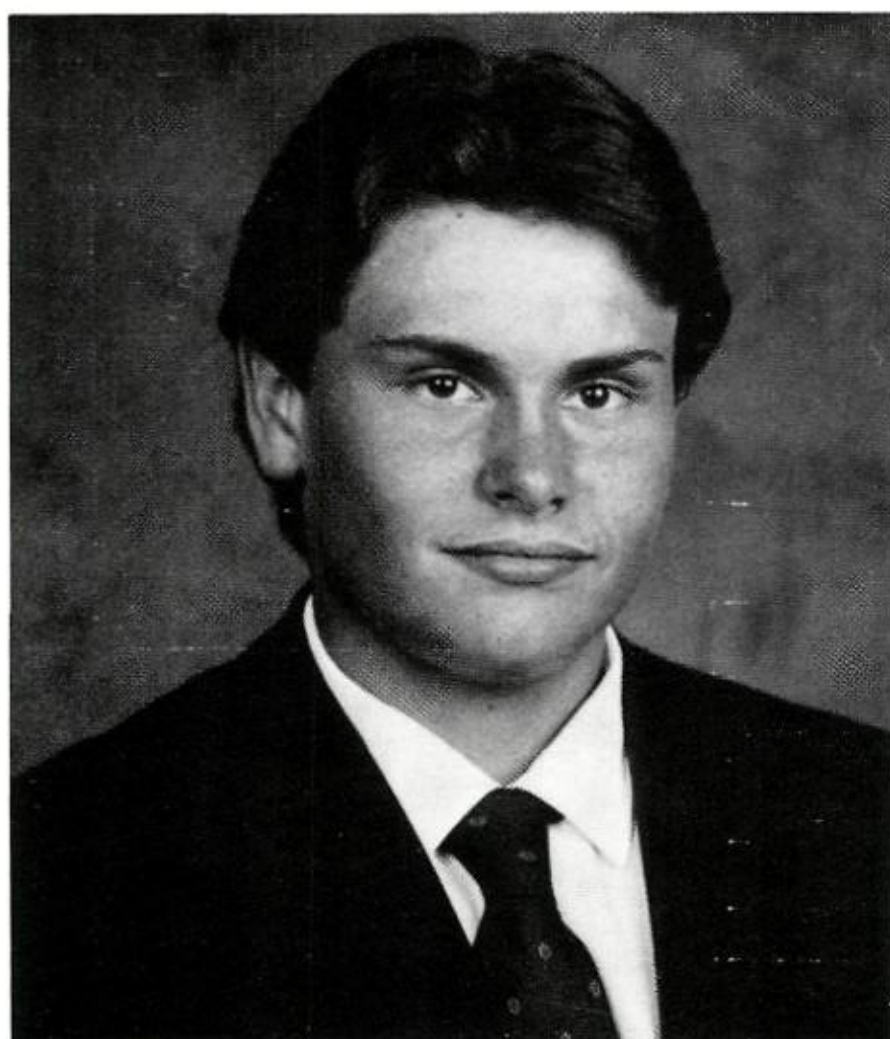

Dear Son:

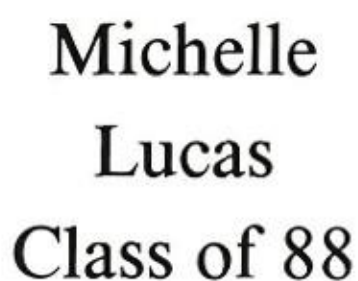

You have worked hard and long for this day when you graduate from Brethren High School. You started in a Christian pre-school and have been in a Christian school environment for all your school days. You have achieved much academically as well as becoming a more mature Christian.

We all rejoice with you (Phil. 4:4) in this great milestone of your young life. God's timing is always perfect and we pray that as you continue on to Biola University that you also remember Phil. 4:19. "But my God shall supply all your need according to the riches in glory by Christ Jesus."

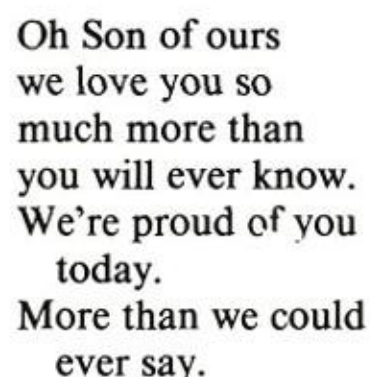

We love you very much and are extremely proud of you, and what you have done.

Love,
Mom and Dad

THE EDITOR'S ANGLE

It has been a growing experience putting together a 208 page book. I'm sure that quad-paks, techni-crops, grease pencils, and pica rulers mean absolutely nothing to you, but to me they have become the essentials for compiling the memories of my last year at BHS.

During the four years I served on the WARRIOR staff, I've anticipated, and planned for this moment. The moment when it would be time for me to write the closing thoughts on the Editor's page. I can hardly believe this time has come, and now that it's here I'm not quite sure what to say. Seniors; may the Lord bless and keep us all in the years to come. I hope this book will always make our senior year seem "just like yesterday." As a class, we are full of life, and our strength lies in that. Together we have laid a firm foundation for the rest of our lives. Now it's time to get out there and go for it! Underclassmen; may your years ahead be filled with enjoyment as you also build memories for yourselves.

I'd like to personally thank the members of this staff. Without the helpful cooperation of those faithful few, this book would have never made it to publication. In addition to the staff, I want to thank two people who have been very instrumental in the production of this book: Tim Miller, for the excellent input on photography, and Jennifer Munneke, for the willing spirit and experienced help. Jennifer, I wish you the best of luck next year as editor. Special thanks to my Mom, Dad, and Matthew for always being an encouragement to me.

Through this book, I hope that each student at BHS will remember the year 1987/88 *From Every Angle*.

WARRIOR Editor

Laura Hopper
